DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??

You will defeat the indifference about everything that is happening in the world when, in your prayers, your heart is one with the heart of your brothers and sisters, no matter where they may be.

When you feel the Heart of God within you, and in it, the love for humanity and for the planet, then for you the pains of the world will be greater than your own. Feel the Love of God for this Plan of His. Feel the hope of the Father for multiplying the Spirit of Christ in His children.

On taking communion, do not simply put a piece of bread in your mouth. In Communion, live the greatest miracle of Christ that, in union with the Will of His Father, gave Himself to the cross and continues to give Himself every day, several times a day, on all the altars consecrated by God, to share Mercy through the Body of Christ.

Every day, the Lord takes on the sins of those who have faith and make the bread the Sacred Body of Christ, and the grape juice, His Precious Blood.

Where are you at Communion time? What do you understand of the great universal mystery of Transubstantiation and Mercy?

Do you know that all the creatures of this vast infinity observe you and, on their knees, plead that this bread become flesh and that you become one with Christ?

Go, small soul, dive beyond your ignorance. Do not allow the cycles to go by and your mind remain sick in the superficialities of life, when you have before you the greatest opportunity for transformation of this universe.

Do not pray only to calm your heart and to find a little more peace in the madhouse that this world is for you. Dive into the universe of prayer, merge with God, discover His Love and His Sorrows, alleviate His Most Sacred Heart. Open the door to the balm that flows until today from the Heart of Christ and allow His Mercy to pour over souls and over the Kingdoms of Nature.

Make your life the reason for the sacrifice of Christ. Make your permanent effort to merge with Him and be a Living Christ, the reason for Him still having His Eyes focused on the beings of Earth and not ceasing to offer His Heart in reparation for the sins of the world.

Transform yourself and fly far.

Have your feet firmly on this Earth so that, in your elevation, it may transcend the dimensions and enter with you into the Real Time, into the Time of God.

I bless you and keep you in My Heart so that you may unveil there the mysteries that I discovered in life and also in the glory of the Heavens.

Your father and companion,

The Most Chaste Saint Joseph
