DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY from Munich, Germany, to Zurich, Switzerland, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Some places in the world that express the beauty of the Creation of God are the spiritual spaces that need help the most, since upon them the perversion of human beings have been installed, making these spaces apt to that which is superfluous, non-equitable and apt toward imbalance.

On the other hand, there are simpler, not so beautiful places in the world, that manage to reflect the purpose for which they were created and, in this sense, humanity helps to sustain them.

This is the reason why the Sacred Hearts go to these space that from the beginning were manifested for all of humanity without any distinction.

A time will come when the hammer of the Law will strike with all its strength, vigor and power in order to break the malign structures of power and prestige that some regions of the planet have built for their advantage.

The Law of Justice will unmask all that is outside of it, and you must be prepared for this.

Therefore, before this time, the Lord of the Universe will come to ask for repentance from the great leaders of the world, those who make the poorest nations breeding grounds of slaves and exploitation.

The Lord of the Universe will give the riches to the poorest of heart and will take away the power from the hands of the arrogant.

Accompany Me in this purpose.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master, Jesus Christ
