DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Cry out to God so that the flow of healing that comes from the Source of His Heart may descend upon the Earth and permeate the beings.

Cry out so that the Heart of the Archangel Raphael may be ignited as a sublime mirror of light, awakening and activating the emerald mirrors that pulsate throughout the center of the universe.

Cry out so that this cosmic net of healing may concentrate its emanations on the Earth and reach those who need it the most.

May the heart of the Inner Aurora prepare itself so that, once again, the planet may feel its love and its power. May the heart of the Inner Aurora prepare itself so that its core may be the eternal dwelling of your Celestial Mother.

Cry out, child, with love, so that the doors and the portals may open, in Heaven as on Earth, and the souls may finally cross the threshold of their redemption.

May the sick of body and of spirit not lose the opportunity of again finding peace. May the Kingdoms of Nature also be worthy of restoring themselves and of within re-establishing the unity with the purpose of life.

May this divine aspiration be a part of your most intimate inner aspiration. Thus, child, cry out so that when the sun is setting at dawn, it may always illuminate this world.

Your Father and Friend,

The Most Chaste Saint Joseph
