DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Dear companions and servers of Christ,

Today I ask you to reflect upon everything that I have told you in the last times and that within yourselves, you seek to perceive if you are trying to live the instructions transmitted by the Sacred Hearts.

With the simplicity that is characteristic of the Consciousness of God, the Sacred Hearts of Jesus, Saint Joseph and Mary are leading humanity to a great awakening; however, it will depend on each one for this awakening to be able to come out of the sheets of paper and the word that the visionaries pronounce to the world, when they repeat Our words, and become life and a source of awakening for other beings of this world.

At this moment of the planet, we are looking to awaken not only prayerful beings, but soldiers of prayer: consciousnesses that are capable of immediately obeying the indications of God and who understand that love, forgiveness, unity and fraternity, which are achieved when hearts pray, are the most powerful weapons of current times.

May, equipped with the Power of God, His Armies be able to cause Light to triumph through the descent of Divine Light into the hearts that pray.

The armies of the adversary do not tire, do not stop and are not distracted not even for a minute; but the victory of God must be the only certainty of the hearts that respond to the celestial call. With this inner conviction, you will encourage other souls to transform their lives and convert into the peace makers of this time of planetary chaos and damnation.

My dear ones, awake to an immediate transformation and never think that you are already in a good place, that you have reached the goal and that now you can rest, for the rest of the soldier of God will not be in this life.

You are now here, to permanently transform yourselves, every day a little more, until you merge with Christ in your heart, soul and spirit. Do this for those who ignore the existence of God and His Plan and that are surrendering their souls to the abyss of this world, believing that they are experiencing the best that the Earth can offer them.

I love you and wait for you in prayer.

The Most Chaste Saint Joseph
