DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??????

For the times of transition, you must develop your intuition and wisdom, virtues that act together in consciousnesses.

Intuition and wisdom are developed from the union built first with your own soul and spirit, and then with God the Creator.

When by Law, the voice of the Hierarchy cannot be pronounced otherwise than in the inner world, you must have this connection built with higher life so as to hear and correctly understand the guidelines that will come from the Heights.

The ancient peoples, guided by the Patriarchs, fully experienced what I am telling you. The Patriarchs used their inner bond with God and, through intuition and wisdom, they listened to Him.

It is in this current time, which for many is the beginning of the building of their inner stronghold, that you must begin to be aware of this need.

We ask you for so many instances of prayer so that you may learn to remain in a prayerful state all the time and so that, in this way, divine indications can flow in the times of greatest emergency, because in times to come, the confusion in the human consciousness will be very great, and few will be truly lucid of heart, mind and spirit. For this reason, We try to form as many soldiers as possible, capable of living peace, through the Grace of God, and of transmitting this peace to the world when most needed.

When We instruct humanity, We are not thinking about the evolution of a few so as to leave behind those who did not listen to Us and who will not take the steps in the correct direction. We are here on Earth for the most ignorant, for the most blind, for those who will deny the existence of God until the moment when they truly need Him so as not to self-destruct. We are forming in humanity those who know how to listen, so they may help others, and so that in this way, the Plan of God may be accomplished. We are building the time of spiritual rescue of this planet through the very members of humanity, who must be aware of this.

Be aware that all you receive is not for you, because the fact that you are participants in Our Presence in the world should be enough for you to be at another stage. We continue to deepen and instruct everyone in order for you to become true instruments of God, and not only praying beings.

Knowing that you do not live for yourselves, but rather for the concretization of a Higher Plan, may each one immediately begin to empty themselves and have their personal stronghold consolidated in the union with God, rather than through their own skills, because the time will come in which the mind will be deprived of intelligence for not knowing the solution to what is being experienced, and you will be guided only by intuition and wisdom, the fruit of the union with God.

The One who instructs and accompanies you always,

The Most Chaste Saint Joseph
