DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Feel My Heart within your heart and internally see how everything becomes peaceful.

There is no evil in the world that can go beyond the essence.

Feel My Heart laboring within your heart, carrying forward the Work of redemption of the planet.

I hold the Designs of God in My Heart, and I place those Designs in the hearts that open to receive them, even though they do not deeply know them.

Feel My Heart within your heart and observe how everything changes and everything is renewed, for My ardent desire is to have you come to know the Kingdom of My perpetual Love, that Kingdom that I want the souls of the world to know, so that they may finally surrender to Me.

Feel My meek Heart within your human heart, carrying forward the prodigies and necessary transformations.

My Heart of Shepherd aspires to accomplish the Project of God in each being. For this reason, I am still awaiting a greater surrender of the hearts that will need Me in this final time.

Feel My Heart within your heart and I assure that you will always find peace.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
