DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The Divine Mercy in the heart of the family helps in the spiritual righteousness that souls must live in these times. It promotes peace among the members of the family and grants a broad understanding on what must be done in the life of each being.

At the same time, the Divine Mercy attracts balance and, in this balance, the family that experiences the Mercy of God can experience Justice.

In the ocean of the Mercy of the Father, the family is one of the models of these times that will be purified with greater intensity, so that the opportunity to experience a true inner rebirth may emerge from the family itself.

All those who for the first time come into the arms of the Divine Messengers will be inwardly assisted in their purification, so that they are more suited to serve and please God.

The family, as the main project for the end of times, will experience adjustments and important definitions so that, as from the emergence of the new generations, the future families may receive the spiritual treasures that once emerged onto the surface.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
