DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??

Sister Lucía de Jesús: When Saint Joseph appeared, He was showing us how the majority of people in the world were preparing for the Christmas festivities just for pleasure and for the material celebration of this day. He told us that for God, it is very important that aware human beings prepare for Christmas from a spiritual point of view and open the way with singing for the coming of the Spirit of Christ to the hearts of the world.

Saint Joseph dedicated this message to the meeting of Music for the Healing and Elevation of Humanity(1), because today He wanted to disseminate a different way of life for everyone, a quest for higher life through the singing done in the Light-Communities, so that the brothers and sisters who are at home looking for a light to follow the Path are able to be inspired by this moment of singing.

He said:

On the day before the celebration of the greatest universal event, when God became man and decided to live among His creatures so that He Himself could be the example of how to concretize His Supreme Will, I will ask you to rejoice your hearts and that you announce to the world the Grace of experiencing the full consecration of your soul to the Heart of God.

This evening, while you sing, fill your hearts with humility, the same humility God had on being born in a poor manger in Bethlehem. It is the humility experienced by the human heart that prepares the path for a Greater Light to make your hearts Its dwelling place.

Not only on this day, but on all the days of your lives, allow peace and joy to prevail; let it be a true joy, that transcends that which you know as happiness, because humanity is very confused and has already lost the sense of seeking an inner joy and only tries to complete its existence with pleasure and comfort; in this way, it experiences permanent dissatisfaction, because what comes from God is only completed in Him.

Demonstrate to the world that it is possible to find true joy, a joy that comes from the union with the Father and the Grace that it is to live for Him.

With actions, prayers, and songs, fill the emptiness in which the human heart is to be found.

Through the word, bring spiritual meaning to life on Earth and allow the light that emanates from your hearts, when they are devoted and simple, joyful and whole, to illuminate the eyes of those who are blind and walk in darkness, looking for a way out of the gloom of their lives.

I bless you and with joy I tell you I will sing at your side to alleviate the world and the wounded Heart of the Most High God.

Your friend and companion,

The Most Chaste Saint Joseph
