WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED during the journey between the cities of Porto Alegre, Brazil, and Paysandu, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Child, renounce all personal will and you shall find the Higher Will.

Renounce all the fear of losing yourself, and lose yourself in the vast Universe of God.

Find, in the Grace of being nothing, the All that the Divine Consciousness is.

Find, in the Grace of being simple, the greatness of the Celestial Universe.

Everything that is great for your heart, in truth cannot be compared with the greatness of God.

Everything that for you is little, for the Creator it provides all things, for it is in the empty heart that His Stronghold is built; it is within the pure that His Dwelling Place is made.

Try every day, child, to renew the concepts of your life. Lose the fear of humiliation and humility, in the certainty that it is by being simple and being nothing that you will become an instrument of God.

Lose the fear of being small, unknown, because it is in being small that you will find the Celestial Universe deep within you. It is in the least of cells that Creation is re-created, and you will find the vast cosmos in the depths of your being.

Dissolve human concepts from of your consciousness, those which aggrandize what, in reality, is poor and does not recognize the value of being nothing. Child, let the Creator show you in this time, that it is in the void and through the void that you will follow in His Footsteps.

Do not fear going through the doorway of humiliation. Do not be afraid of an apparent failure in human eyes. Unite with the Cross of the One Who was a failure to humankind and victorious to God. Deliver the wounds of your heart to the wounds of the One Who was wounded by the sins of humankind and Who assumed, in each Wound of His Body, the pain of the Father, caused by His children.

See how small you are, how in reality you are nothing and take on that nothing that you are, so that the All of God may fill you.

Renew yourself in the Cross, renew yourself in humility, renew yourself, finding the meaning of your life in imitating the Steps of Christ, steps of sacrifice, humiliation, service, steps of renunciation, of love and unity.

I will accompany and guide you day after day, until you become an instrument of God.

Your Father and Friend,

The Most Chaste Saint Joseph
