WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May the purity radiated by the Sacred Family extend beyond Our Sacred Hearts and reach each home in this world, transforming and healing the human condition, bringing peace and rescuing the unity among hearts.

May families be the symbol of the restoration of human life, the possibility that humanity will again recognize fraternity and reconciliation.

May Love be the foundation of families, may respect be their protection, and unity be their fortress. May the children learn the best from their parents. May parents also learn the new from their children and allow themselves to be renewed by the impulses that come to Earth through the children that are born in these times.

If there are wounds in your families, seek forgiveness and reconciliation, to heal and cure what is wounded in hearts. Pray for your families, for your children, and for your parents, for your siblings, grandparents, friends.

Pray for the spiritual families, for the religious congregations, for the churches, for the temples, and for the gatherings of goodwill and union with God, in which many times the Purpose of God is lost, because of the retrograde condition of humanity.

It is time to heal, forgive, and unite. It is time to respect, understand, and learn from the fellow being.

While for many it is difficult to ask for forgiveness, for the enemy of God it is very easy to sow discord, pain, and fear. Only Love can heal a sick consciousness, a closed heart. Only an example can transform the lives around you. Only the living of the Truth can cause families to recover their archetype. Because it is there where the living of Love and of Unity must first occur, to then expand them throughout your nations, the continents, the planet, the Universe, returning to the Heart of God that which He gave you to develop and multiply from the beginning.

Pray for the families and bring peace to the world.

Today I bless you and leave you the Love and the Peace of the Sacred Family of Nazareth.

The Most Chaste Saint Joseph
