DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN ARCHAMPS, Haute-Savoy, FRANCE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Within My merciful Heart there exists a place for each soul. You must only remember that this place, this refuge, will always be available.

That will make you understand the mysteries of the Love of God based upon the truths of faith and trust.

Live in My Heart in order to find peace in each moment, and thus radiate that spring to the souls of the world.

Within My Heart, there exists a space for each being, capable of generating harmony and trust, capable of awakening inner virtues, which will be of help in these times for the manifestation of the Divine Plan.

Therefore, in My Heart, you will find the calm and the meekness that you need in order to learn to take steps towards Me.

In My Heart of service, your faith will be strengthened and the love of your hearts will expand so that, in humility and in service, souls may be touched by the Love of God.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
