DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS??

Message transmitted in the Garden of the Monastery of the Assumption of the Divine Spirit, in Uruguay, where a fountain with the image of Our Lady of the Garden was placed.

As the water that flows from the fountains consecrated to peace, may the divine blessings pour out upon the souls and hearts and, through you, reach the whole world.

May the Blessings that God pours upon your lives multiply and reach each heart throughout the world.

In this garden consecrated to prayer, contemplation and the rendition of souls and the Kingdoms of Nature, the Creator finds reparation and hope. May each being that arrives here remember that he has the opportunity to pray and repair the Heart of God, just as His Son did, while in the Gethsemani Garden, and as His Divine Mother continued to do, time and time again, by going through the sacred places of the Passion of Christ in prayer.

The Most Holy Mary arrived at the Gethsemani Garden to relive the agony of the Lord, thus keeping alive the merits of His Passion and multiplying them. Her prayer repaired the Heart of God and above all, the Heart of Christ, eternally flagellated by the great indifference of humanity.

May this garden, children, be for you as if you were entering the Garden of Gethsemani, and share with the Lord His agony, repairing His Wounds and sores, generating merits for the salvation of souls and the institution of the New Life.

Here, always enter with gratitude and joy for being able to serve the Heart of God and in It, all the Kingdoms of Nature. Through your prayers, united to the different Kingdoms in communion, the angels of the Lord will repair the suffering and the outrage that the Kingdoms live in this world. Thus, find here a space of service that, although it is hidden and silent, it crosses borders and dimensions, and touches the Heart of God.

He blessed you for this, blessed this fountain, this place and your lives, so that the harvest of your rendition may be of assistance to many other souls.

I love you.

Your Father and Friend,

The Most Chaste Saint Joseph
