DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MUNICIPALITY OF LOS COCOS, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I shall always triumph over all evil, because the humility and tenderness of the Servant of God for all Her children is very great and unknown.

Therefore, I shall continue stepping with My Feet upon the cunning snake, and I shall cause it to succumb to its own hell because, in this way, it will never hurt My children.

I am the Guardian of the Gates of Heaven, and in My Heart, I proclaim the Will of God and the advent of the return of My Son.

I am the tireless Servant of God, the Lady of Light that, with Her seven swords, defeats evil and does not let it approach the simple hearts.

Because the humility of the hearts will also save the world and will cause the Kingdom of God to triumph on Earth, as It is in Heaven.

Never think that I have abandoned you. On the contrary children, I am the Mother of everyone, the One who steps on the head of evil and deceit with Her bare feet.

I wish that more hearts could remain with Me in these times, that more souls could awaken to their spiritual reality.

For this cause, you are with Me at the front of this battle in order to, as my soldiers, cause the power of forgiveness and Mercy to triumph.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
