**Apparition of the Glorified Christ Jesus during the 7th Marathon of Divine Mercy, at the Marian Center of the Child King, Rio de Janeiro, Brazil, to the visionary Friar Elías del Sagrado Corazón**

Before the majesty of My Kingdom, let us honor the Presence of the Most Holy Mary and the Most Chaste Heart of Saint Joseph.

Today, the Three Sacred Hearts come to consecrate this Community as the New Earth; the new seeds of light for humanity, seeds of light that, through love, unity, and charity, will re-emerge in hearts that are wounded.

The Three Sacred Hearts honor and glorify your souls because, for God, this space will be a point of light for all Rio de Janeiro. Mainly during the most difficult and hard times, when souls will be able to find here the consolation they are searching for and the love that the world cannot give them, because My Most Sacred Heart, the Immaculate Heart of Mary, and the Chaste Heart of Saint Joseph re-emerged in these essences since the beginning of this project, when this task began with children, young people and adults; a task given to the Heart of God.

For this reason, today in the world, and throughout the history of this humanity, many humble souls have also existed, such as My Sacred Mother. And there exist at this time, humble souls that give of themselves to God, who, through their charity and surrender, trust in the full Love of Christ, and in the Purpose that God has for each of their lives.

Once again, Rio de Janeiro has become a city of salvation, for many points of light in the world re-ignite in this hour at the Marian Centers, in the hearts of families, and in the essence of all My children who are preparing to receive Me in the coming era, in the silence of their heart, in merciful prayer, in the continuous faith in God.

Today I have come with the Sacred Hearts of Joseph and Mary to remind you of the task that each of you has with these humble hearts that offer themselves in service to you in these end times, to guide you in faith, in love, and in the Purpose of God above all things.

Open your hearts to Me, because Christ wants to enter into your dwelling places today. I will alleviate your sufferings, heal your sorrows, and reignite your hearts in My Mercy.

Today, My message becomes public for each of you, and especially for all those who listen from their homes.

I want to thank you for the constancy and the perseverance of the people of Nicaragua for accompanying My Christic Purpose in this time. I promise to come to Nicaragua to disseminate My Mercy and to be very close to My soldiers.

The need for Light is present in the whole world, dear companions. For this reason, efforts on your part must be paramount. Offer your weariness to God, your sacrifices and services to the Father; thus, you will allow a balancing of the scales which are imbalanced, and many hearts can re-enter My Kingdom of Light, through your sincere and permanent offer.

Your prayers have been heard by My Heart, as well as your songs and voices; joy will be able to heal the world in these times; prayer will be able to repair many hearts.

The Three Sacred Hearts of Jesus, Joseph, and Mary invite you on this afternoon to be mediators for the Father. Trust, dear companions, that when you pray from the heart, the Father will be listening to you and responding to your urgent needs.

Today I want you close to My Heart and I want you to carry the sacred Cross of Emmanuel on this night as a banner of redemption and peace for the Earth. Because not only the hearts that live on the Earth will be freed, but also the impure spirits will be elevated by My Heart so that they may find God again in their lives, invisible lives, lost lives.

I need everyone to be able to work through My Heart, to be able to feel through My Heart, to dare to love and to forgive through My Heart.

Leave behind your old feelings now, open the doors to the new that is coming, in spite of the difficulties and the mistakes. The Celestial Universe will never abandon you; God has heard your prayers and supplications, and many hearts have been favored with all this.

Today We invite you to enter into Our Celestial Unity. And today I come to this New Earth to give hope, joy and love to all. These will be the keys that will allow you to find the sure paths to My Heart. Open your eyes through your heart and feel My perpetual Peace, in this definitive hour.

Today I gather up each one of My flocks and unite all prayerful hearts in the world in the hope of it being possible to continue and move forward, walking steadily through the ruins and silently looking toward the horizon, so as to perceive My Return, which is close.

Today I am among the little children, who are the faithful example for your sanctification. Imitate their simple and sincere steps, for thus you will be very close to My merciful Heart. You can be beings in profound and real humility and in this way, you will be united with the Father.

I want you to feel Our Three Sacred, silent Hearts. For the first time, I will pour out My Mercy very close to you, through your prayer. Bring your consciousnesses to My Source.

I invite all the families and companions that are in their homes and groups of prayer to pray with Me for the world, for the equilibrium of that great scale of the universe, for redemption and peace in humanity, for love in all hearts.

***Friar Elías del Sagrado Corazón:***

*The Lord asks us to ring the bell in the bell tower 33 times.*

*In the Presence of the Three Sacred Hearts, we will pray the Chaplet of Divine Mercy, fifty beads, and at the request of Our Lord, five children of Crer-Sendo will pray before Christ, to ask for His Mercy. We will accompany this prayer.*

***Virgin Mary:***

Dear children, seek Peace. Seek Peace above all things. The Peace that comes from the heart, that is born of your union with God. I am with you for these difficult times. I thank you, now and always.

***The Most Chaste Saint Joseph:***

Dear children, follow the flock that represents the Great Shepherd. He will always guide your steps, lead your lives. I have offered Myself in this life to guide your essences toward the Great Redeeming Heart.

I thank the missionaries for their works. Saint Joseph is with them and with all those who want to serve in the reparation of the cities and the villages, of the hearts that suffer, of the families that are in need of humanitarian assistance. I am among the servers.

*The children pray the Chaplet.*

***Christ Jesus:***

Sacred prayers are said by innocent souls, and this enriches the Heart of God with joy and, in His profound and infinite Pity, He pours out His Love and His Mercy through the Sacred Hearts, believing that it is possible to lift all of humanity to the Light, so that it may enter into the Heart of His Kingdom and receive the Peace it so greatly needs.

Like more than 2,000 years ago, I institute the Eucharist as the Sacred Sacrament for your hearts.

On this afternoon of Mercy and Pity for the world, I invite My friends to bring Me the bread and the wine to perform the consecration so that you may commune on all levels of consciousness with My merciful Love, with My compassionate Heart, with My Peace.

My dear ones, I bless these Sacred Sacraments, as I have often blessed your paths, in the hope that you will be able to be reborn in My Heart every day and find the faith and fortitude in My eternal Communion, so that through it, you may receive My Celestial Codes, which I achieved in the Passion for all of you, for many souls in the world.

Let us pray.

*The children pray Our Father.*

Go in Peace. I bless you in the Light of the Father, the Son, and the Holy Spirit.

Our Sacred Hearts honor your joy; joy in Heaven, joy on Earth. Sincere hearts and souls that suffer resurrect God out of love and glory for the Celestial Universe.

Amen. Amen. Amen.
