APPARITION OF THE GLORIFIED CHRIST JESUS DURING THE 76th MARATHON OF DIVINE MERCY, IN THE CITY OF BOGOTA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

There is nothing more precious to God than your life, because God knows what the existence and the presence of your being means at this planetary moment, in which evil and chaos put everything at risk. For that reason, God deeply knows the reason for your life and the purpose of your existence.

In spite of adversity wanting to submerge the Earth and all its humanity in illusion, what exists beyond your life and is called essence, is what is most important to God, what will always be present throughout times and eras; even though one day you will no longer live here, but rather in the dwelling places of My Father, where you will learn to love more deeply everything that He has given you from the beginning.

Humanity is immersed in that adversity and chaos because it fails to recognize God within itself; even though God is within each being, many souls do not recognize or feel Him, until the extreme and difficult times come, in which God will show Himself with all His Might and strength so that hearts may be redeemed.

For that reason, I am here not only for you who are present, but also for your brothers and sisters who are in adversity and are swept away by those currents of illusion that the surface of this planet experiences.

I am taking you to meet My Heart where Divine Essence exists, where your essences may be renewed and may receive from on high what comes from the greater Source that nourishes all consciousnesses, that brings sublime vibrations so that hearts may be reborn in God and may receive from Him all the Gifts and all the Graces that will allow you to endure the end of times. Because, companions, you will see extraordinary things, things that will happen overnight and many will not understand what will be happening. Thus, you have to strengthen your essence through the nourishment of spiritual prayer, as well as through the service that you can offer those who need it the most.

If God wants Me to be with you, just as with those who are in adversity and who will one day strongly awaken, nothing will be able to prevent it, because above all things is the love of God that grants hearts His Divine Grace, that brings the important moment of redemption to each one of your lives.

The doorways of the Universe, which are infinite and unknown, close the uncertain doors of the planet, where many souls are submerged and experience the terror and the sorrow of these times.

Thus, the work of Mercy grants salvation to all hearts and essences. Through this meeting of prayer, many souls were benefited and in some moment of their lives, when the time comes, they will find the truth and will not be able to go back. They will have to recognize it and accept it because it will be a Divine Power that will show Itself to those who live in the greatest world illusion, and there

will be no doubt that it is the presence of God, through His infinite manifestation in this universal reality, that will present Himself before each one of His children to give them the chance for repentance and for redemption.

For that reason, today not only you are benefited, but also millions of souls who are not here, who have lost a sense of their reality and a full discernment of what is or is not right. Thus, today the work is in the inner worlds, which My adversary cannot reach, nor enter. Thus, it moves agitatedly because it is losing part of its kingdom, the kingdom of illusion which it believes it has above all consciousnesses of the Earth.

Just as I defeated it on the Cross seven times, today I will defeat it again seven times, until its heart feels oppressed and drowned by the powerful Light of My Love, until all its structures and powers fall, as will fall its governments and leaders and there will be no stone left upon stone.

As that moment is approaching, the essences of God must be awakened and strengthened, in intimate contact with the Universal Father. Because when everything happens and appears, you will know what to do and how to proceed; you will not be submerged in the world ignorance, rather, you will help your brothers and sisters, those you never expected you would help or assist, so that they may be rescued and saved by the Law of My divine and unfathomable Mercy.

And through you, if you offer to be with Me, with my own Hands I will remove those who are immersed in the illusion and hypnotized by the modernity of these times, adverse tools that only lead to global indifference. I will come to take souls out of that illusion just as I come today to remove you from world illusion.

Your essences will prevail above all evil, you will be in contact with your inner Christs, you will have the tools you need at the appropriate time to be able to proceed and work in My Name. But those tools will not be material, but internal. Tools and instruments that the Holy Spirit will provide for you so as to be able to separate souls from evil and from adversity. Thus, on this afternoon, I come to cause inner essences to prevail, because it is there where the Plan will be carried out.

In order to not spiritually expose you, companions, to everything that I am removing at this moment and which is part of My universal task, to exorcize the greatest evil of the world, I will raise you up in this moment to My Spiritual Church, as well as all the souls also immersed in the world illusion, so that by raising your vibrations and hearts, you may receive the impulses not only of My Divine Mercy, but also the Glory and Grace of the altars of God.

To give honor to this important moment, in which the most lost essences of the world are withdrawn from the most unknown abysses of humanity by the hands of My archangels and angels, we will listen at this moment to the instrumental of the Pater Noster, so that the doors of the Celestial Church may open and souls may be submerged in the Ocean of My Love, where Light will always triumph. Amen.

While you are waiting, make your inner offering. Do not miss the opportunity that God may hear you in this moment and receive your prayers and supplications as part of this celebration in the Celestial Church.

Make your inner offering at this moment, while the doors of My Church, with the power of His Light, defeat the hells of Earth.

We stand up to begin this celebration.

In the presence of our greater Governor, Jesus Christ, responding to His request and petition, under the Light of the sacred city of Guatavita that gives an impulse to hearts for redemption, we will begin the blessing and the consecration of these souls that offer to help, serve, and collaborate with the most needy, with those who have nothing and who need in this moment instruments of love.

We listen to the Pater Noster.

To consummate this consecration, we are going to recite a very simple prayer, offering ourselves to the Celestial Father so that He may always guide us and lead us, not only through His Love, but through His Will.

These brothers and sisters who today are being consecrated as auxiliary missionaries, are preparing to take new steps, offering their souls to God through His divine Son so that He may always lead them from His Hand towards the fulfillment of the Plan.

Prayer: Celestial Father (repeated twice).

My priestly Heart, in the name of all the priests of the Earth, blesses you and consecrates you through My Mercy.

In the name of the Father, the Son, and the Holy Spirit. Amen.

You may go in peace.

Song: Pater Noster.

At this moment we are going to do the same practice that the brothers and sisters did previously, of praying a prayer to the Celestial Father so that He may not only lead us through Love, in this service for those who are most in need, but that He also guide us through His Will.

Let us pray together.

Prayer: Celestial Father (repeated twice).

Let My priestly Heart also bless you today, so that you may always be within My Grace and an eternal giving of self.

In the name of the Father, the Son, and the Holy Spirit. Amen.

I am going to invite the sisters to remain there, so that we may celebrate Communion.

Those who can, kneel for this consecration.

On a day so like this one, I gathered the apostles together in the Holy Cenacle because I knew the time would come for them to represent Me on Earth as My apostles and soldiers, throughout the ages and the generations.

Today I not only invite you, companions, to re-live this Sacrament which is the expression of a mystery of a very great Love that humanity has not yet understood, but that many have approached

this mystery of Love through the bread and the wine. For that reason, today I invite you to enter into the scene of the Last Supper.

For that, our Master is asking for the instrumental of "Thus spoke the Master."

Before the doors of His Celestial Church, we symbolically bow down, through our souls, so as to receive the impulses, the codes of Light of this consecration.

After having washed the hands and the feet of My apostles, I gathered them around a simple table to celebrate and institute the greatest legacy of love for humanity.

I took the bread, lifted it up, and gave thanks to the Father for the sacrifice that I would live, and the Holy Spirit of God changed the bread into My precious and glorified Body, and then I handed it to the apostles, saying to them: "Take and all eat of It, for this is My Body which will be given for humankind for the forgiveness of sins".

We praise you Lord and we bless You (repeated three times). Amen.

Then I took the Chalice and raising it up to God in complete trust and love for the sacrifice I would live, He sent all His hosts of Light, the angels, so that they could transubstantiate the wine into My precious Blood. I then handed it to the apostles, saying to them: "Take and drink, for this is the Chalice of My Blood, the Blood of the new covenant that will be shed by your Redeemer for the remission of faults. Do this always in remembrance of Me".

We praise you Lord and we bless You (repeated three times). Amen.

And in union with the Father, the Son, and the Holy Spirit, let us recite the prayer that Christ taught us: *Our Father*.

My joy is to be able to be in these difficult times and bring souls to God, so that they may find again the meaning of being here and of having come to fulfill an important mission for all of humanity. For that reason, on this afternoon, I thank you, I bless you, and I give you My Peace, so that My Peace may be carried to more difficult places on Earth where the Light cannot yet enter.

In the name of the Father, the Son, and the Holy Spirit. Amen.

We give each other the greeting of peace.

We may stand.
