DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF PORTO ALEGRE, RS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Love God in all His manifestations. Love His Plan and His Will, way beyond your small life.

Love the Father, just as His Son loved Him, Who not only rejoiced when the Power of God was His and He could perform miracles to the eyes of humanity. The Lord also loved God, more than ever, when He was on the Cross.

The One Who came to the world to show the path of every living being, suffered like no other human being on this planet, and He did so to demonstrate to everyone that love, when true, is unconditional, and that the Will of God can be in joy, as well as in suffering; it only depends on how one experiences the events in one's own life.

Child, if your life is difficult and you are experiencing trials that at times it seems you cannot bear them, before losing your faith, revive it. Remember the sacrifice of Christ and be grateful for being able to somehow repay His suffering.

I want you to learn to be by My side not only when I grant you Graces, but also when I grant you pain so that in this way, I am able to alleviate the pain of others through you.

If the suffering of your fellow beings brings woe to you, then balance this sorrow with the love of your heart. Give your faith to others so that they may overcome fear. And remember that if you create a path of love for those who are suffering beside you, when the time comes for them to leave this world, with their feet they will walk on the pathway you built and will find the light and peace that they need.

Make your life an act of service and understand that you are also converting the hearts of humankind when you give an example of self-overcoming.

The Lord wants to make you a complete server, for many love Him in Grace, but few offer Him a sacrifice.

Trust that every test comes for your growth.

Your father and friend,

The Most Chaste Saint Joseph
