Apparition of Christ Jesus at the Marathon of the Divine Mercy in the city of Buenos Aires, Argentina, to the visionary Friar Elías del Sagrado Corazón de Jesús

At last I have come to the place where I have been waiting for so long.

Carry on your breast the sign of My Return, because this sign will come from the Universe and nobody will be able to say they will not see it.

I will come for the just and for those who have been unjust, and from there I will reconfigure the Earth, I will repopulate the planet with new gifts, with something that has still not descended from the Universe and will come when I return to the world for the second time.

But so you may see Me again in Glory, first you must feel Me in your divinity.

I must build the new in you, I must sow the new in you, so that in this way, you will be prepared to receive Me for the second time.

Today I am here with the joy of the Spirit of God because of the receptivity of your souls and hearts, because even though you do not understand My Mystery, many of you have adhered to it and that is what makes it possible to expand the Work of My Mercy in the world.

While I speak to you, I purify you. While you feel, I consecrate you and elevate your spirits to the Kingdom of God so I can withdraw you from the superficiality of these times and enter you fully into the Kingdom of My Heart.

Everything you have done today, companions, has been of use so that I may be here among you, accompanying you.

Remember what I told you the last time when I was in Mendoza: that Argentina would live a great test of faith. This test is already happening, but I invite you to not ally with the test itself, but rather with its teaching, so that you may grow inwardly and demonstrate to the Celestial Father that you are understanding the definitive times, beyond the events and the experiences.

I need you to cultivate within yourselves the perfect balm of My Love, which will lead you to Divine Mercy and Peace, so that you may be free of any agitation and agony, and learn to go through the times in this final transition.

In this way, you will be true instruments of the Spiritual Hierarchy, present on Earth; thus you will be able to help your brothers and sisters on the path and all those unknown to you, so that they too may learn to live this final transition.

That is why you must remember your commitment to Me. Although you may have believed you never made it, your souls brought you here today to remind you of that commitment to My Eternal Heart; to fulfill at this time, what is written in the Heart of the Father, within the Universe of His Divine Will.

While My Grace descends to Earth, your spirits are uplifted to the Kingdom of God so that they may awaken in you the sacred talents that I brought you more than two thousand years ago; talents that I will need in these times to carry My Work to the four corners of the Earth.

May your spirits be able to feel the joy of this sacred reunion, of being able to participate in the Cenacle of My Love, in Communion with My Spirit and with My Essence; an Essence that dissolves errors and blame, fears and failures; an Essence that dissolves doubts and misunderstandings.

Feel part of a new spiritual family, the one that lives in the celestial Universe, because even though you are still on Earth, you can be part of it in the communion of your souls with the Spirit of God, where the Sacred Unity is built.

Argentina must be repopulated with brave armies of the Light, unconditional collaborators in the Plan of evolution, who are encouraged to awaken the Sacred Star of the Brotherhood within themselves, so that all of their consciousness is present in these times and participates together with the commands of the spiritual Hierarchy in this rescue plan of the end of times, that operates silently, working in an invisible way in the very depths of the inner worlds of beings.

May your consciousnesses on this afternoon continue to be uplifted.

Raise the Consciousness of Argentina so that the spiritual plane is purified, not only in this city, but also in your whole country, in all of your brothers and sisters, who are also worthy of Divine and Unfathomable Mercy, because they suffer just like you suffer, because they wait, as do you, for hope.

In this communion, where your spirits are uplifted in plane and consciousness, may a great circle of fraternity that unites the origins and times be created, the essences and the souls with the great sidereal Government, which has given impulse to the manifestation on this material plane and in life throughout time.

May the love for life be constituted again in the spirit of Argentina, so that those who will be born in the coming times may have a place of rest and of love, of gladness and of hope, just as you have had.

This will allow the suffering in Argentina to be alleviated, the social crisis and the uncertainties in hearts.

The new Mercy brings new hope.

The sheep of God are called to follow the Great Shepherd of the end of times, who in His second coming to the world will, reveal His real Countenance, as it was revealed in the height of Mount Tabor, to some of My apostles.

The time of the greatest tribulation will pass, but you must persist, live in faith and practice hope, so that all may be transcended and the most difficult spaces of the planet may be filled by the Christic Light.

I also come for those who most need Me, for those that have this as their only and last opportunity.

Perhaps you will not understand what I say to you with this, but have trust in My Merciful Heart, because the door of My Divine Mercy is still open for those who have condemned themselves in spirit and in soul.

I do not come to seek from you what is imperfect. I come to awaken in you the virtues of God, so that your higher beings may fulfill their mission on Earth and learn to purify and to transform themselves day by day, knowing that the sublimation and the elevation of the consciousness is an tireless work of the true apostle of Christ.

If your lives are converted through My Love, if Argentina accepts My Call, more places of the world will transform, many catastrophes will be avoided, and it will not be necessary for souls to learn through suffering.

My Mercy is inexhaustible and unquenchable.

Sometimes I do not know where to place so much Mercy of My Heart in souls, because the majority does not cry out for it, nor live it.

Today I can pour out My Divine Mercy, because you have cried out for it, and this will have a repercussion in your lives until the next world. Thus the Divine Will will be manifested, and you will participate in eternity after this experience on Earth.

It is your spirits that should fly to the heights while you transform your matter, purify your mind, and uplift your feelings.

Continue onward, trusting in the tributary of My Mercy, and do not tire of calling for Me; because as much as I am not with you in the coming time, My Omnipresence is accomplished where souls call for the Lord.

The Consciousness of the Son of God rose up to the Heavens to continue in His Mission and Task, to summon all those who are self-summoned for the end of times, to carry on with the Work of the Return of Christ and the descent of His Divine and Infinite Mercy.

Believe that on the invisible planes many things happen. It is there where you must focus your attention.

You must learn to perceive, you must learn to intuit what is on the higher planes of consciousness and all the celestial treasures, which can descend not only in your lives, but also on to the planet.

Thus, do not fear to embrace your cross and follow Me, because I can bring relief for your cross, I can dissolve your suffering, transmute your agony when your hearts are sincere with Mine and truly open to My Divine Laws, so that on the surface of this planet the Divine Will may be fulfilled.

Now I invite you, companions of Argentina, and placing your hand on your chest, to feel and find in yourselves the Kingdom of God, beyond what you have lived and what you have felt, what you have suffered or experienced.

Trust in the Kingdom of God that is within you and make it a part of your lives in each moment, so that this inner Kingdom which is in the depths of your essences, may be radiated to the whole world, and especially to your country, deserving of an extraordinary Grace.

Feel this Light that can emerge from within you and feel the Love of God and His Trust.

Strengthen this moment as the one moment of your lives.

Avail yourselves of the Spirit of God that descends through the Voice of His Son to strengthen hearts, to unite souls to the powerful Kingdom of God.

While the doors of Heaven continue to open over Argentina, your spirits are filled by cosmic Laws.

Feel the descent of the Divine Light and the blessing of the Sacred Spirit of God, so like your Baptism and your First Communion.

Kneeling before the Thrones of the Father, let us cry out for Pity, Mercy, and Redemption, so that more souls may be carried to Heaven; so that more spirits live the joy of remaining in the Kingdom of God and in His Glory, forever and ever.

And now that you know what in truth is within yourselves and is eternal, remember your origin, the Source from which you come, the Source from which you emerged to live this school of love and of forgiveness on Earth.

And even though you have the veils over your consciousness, today I remove them, so that you may remember and be nurtured by the Sacred Knowledge of the Stars; a divine impulse that in the name of Light comes to rebuild the planetary consciousness and to heal spirits wounded by the errors of the past.

And now that My Celestial Church has been presented on Earth, the true Church of God that only lives in the Celestial Universe before the Doors of Heaven, may your essences surrender and give of themselves in such an unconditional way, just as I gave myself and I surrendered for you on the Cross, suffering Wound after Wound, drop of Blood by drop of Blood, so that the Love of God could triumph.

In this Love I invite you to immerse yourselves. In this Infinite Ocean I invite you to remain and to live, because it will be this Eternal Love that comes from the Source of Creation that will help you to continue forward, in spite of what may happen or what you may live.

Friar Elías del Sagrado Corazón de Jesús:

Beginning this ceremony of consecration before the Celestial Church of Christ and of the doors of Heaven, let us intone the names of God, so that Heaven may descend to Earth through the Love of Our Master.

We may stand up.

Each one of us at this moment, at the request of Christ, in the silence of your heart, will make your offering to God, not only for yourselves, but for Argentina, and will place at the Feet of Christ your petition so that it may be contemplated and heard by the Eternal Father.

May the elements that the Father created for this material Universe be blessed, and sublimate the energies so that the Purpose may be realized.

They sing the Names of God.

Two thousand years ago I taught something very simple: it was to wash the feet one for another, so that you would not only be purified of your suffering and pain, but so that humility would incarnate in souls, so you would be able to recognize the Sacred Countenance of God.

May those who today will wash their feet and also purify their souls be able to recognize in themselves the Merciful Countenance of God, which appeases all justice. Amen.

In the river Jordan, My Cousin John blessed you with water, but I bless you with the Spirit of God, so that your consciousnesses may be consecrated and uplifted in constant sacrifice and reparation.

May these elements be impregnated with the Light of Love, so that the soul may be sanctified, find peace again, and the relief it so much seeks. So may it be.

Christ calls up an auxiliary sister.

I have waited for this moment so that you may receive My Blessing, because for God everything has its timing.

Whoever trusts and persists, recognizes the Will of God, is part of His Divine Grace.

Today My Spirit blesses you together with the angels of Heaven because of your unconditional service to humanity.

More than two thousand years ago, I taught you to share the bread so that you could have eternal life. I taught you to share My Blood so that you could learn to purify your lives.

Today the Lord of the Universe makes this offering for Argentina, so that its purpose may be established again and find at the end of times the joy of living in the sublime Spirit of God.

At that time, I took the bread, gave thanks to God and He blessed it. Then I gave it to My Apostles, saying to them: *Take and all eat of It, for this is My Body that will be surrendered for you for the forgiveness of sins.*

I took the Chalice of Salvation and in that time I said to them: *Take and all drink from It, for this is the Chalice of My Blood and the New Covenant, which will be spilled for humankind for the forgiveness of sins. Always celebrate this in Remembrance of Me, until I return to the world.*

May the Body and the Blood of Christ be a reason for reparation and the healing in souls, joy and hope for the coming times.

We take each other's hands.

Our Father...

Praise be to God, Glorious is His Kingdom. Hallelujah, hallelujah!

Let us repeat:

Praise be to God, Glorious is His Kingdom. Hallelujah, hallelujah!

Also in that time, I taught you to love through a very simple but profound gesture for the life of Spirit.

Today in My Ascension to Heaven I ask you to fraternally give each other the greeting of peace.

I thank you!

In the name of the Father, the Son, and the Holy Spirit.
