WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When you do not have quietude within, seek to return to the peace of your heart so that every experience you go through serves the growth of the goodness within your being.

I know the human being cannot understand the reason for some painful experiences. But they must know that there are causes and conditions that generate these experiences as a result.

At this moment, you must perceive with clarity the causes and consequences so that all that you carry out may be beneficial to your being, within the values of the common good, justice and, above all, love.

The recognition of the roots of the causes and consequences that you yourself can generate for your material and spiritual life will help you step out of ignorance and out of the permanent inability to understand or accept the experiences.

The real path of transformation means seeing beyond oneself, understanding one's fellow being, seeking the beauty of the differences that may exist between human beings.

After all, it is necessary not to cease to seek the truth, and the truth lies in self-knowledge and in seeing, at each moment, all the good that can be learned. Thus, you will gradually free yourself from suffering.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
