SEVENTH SPECIAL APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, AT 7:30 AM, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Today the group grows even more in its number of participants for the meeting with the Celestial Mother.

At the indicated time, the prayer to the Universal Mother begins.

After 7:30 am, Friar Elías and Mother Shimani stand up, announcing the arrival of the Divine Mother. At that moment, a request is made to pray "The Prayer to the Mother of Divine Mercy." After some prayers, the feminine monastics began to sing the song "Ave María."

Then there is silence and Friar Elías approaches the tree; when he returns, he begins to transmit what he has perceived.

Friar Elías: *When the "Ave María" was sung, the Divine Mother manifested in the right upper portion of the orange tree; it was as if a part of the sky had torn open and another sky had manifested.*

In the beginning, the Divine Mother brought a medallion in Her hands in the shape of an oval and in the color silver. In the center of the medallion, the representation could be seen of this Apparition: the image of the Mother of the Divine Conception of the Trinity resting on the cloud that has the moon and the roses at Her feet.

Around this image the following phrase could be read: "I Am the Mother of the Divine Conception of the Trinity."

She revealed that in the days of darkness, whoever carries this medallion will not only have their body protected, but also their soul. She said that this medallion brings a celestial energy and presence.

She then asked me to look behind Her, where armies of angels could be seen. Some carried scepters in their hands and others seven-armed candelabra, with seven lit candles.

The angels began to descend and draw closer to the Mother; they walked around Her, as if they were pilgrimaging.

At this moment, the image changed, and the Celestial Mother appeared holding in Her right hand a small bell, which She began to sound in space. The line of angels was long, and they were coming from a deep space, from another Heaven.

Then the image changed again; She stretched Her arms downward and, through the palms of Her hands, She radiated us with an intense light. She also radiated the first three trees that are here before us, which form part of a triangle. She said that one represented the Father, another the Son

and the other the Holy Spirit; it is that Spirit of the Trinity that She is causing to descend.

Moments later She walked toward the crown of the first tree and rested upon it, and there began to radiate it with Her light.

Then She again showed the medallion that She brought in the beginning, and made it grow in size and She placed it over the group that was present.

When She asked me to approach the tree, She showed details of the medallion ,in which the image that appears has the twelve stars over Her head, but not the word Mirnahe.

Sometimes She smiles at us in silence.

My Heart must triumph within fallen hearts.

And this She says as if it were Her motto.

The image of the medallion withdrew and now She is opening an orandium with Her hands; it is a very large orandium, and She offers it to us. Each ten beads, the Orandium has a small medallion, which shines in a silver color.

Now, each one of these medallions of the orandium, which are seven, has a different color, like the seven colors of the rainbow.

The Divine Mother says:

Find Peace in My Heart.

Listen to My voice, pray with Me, pray for those who suffer and for those who are not here, for those who do not believe in Me, and for those who are awakening.

I Am the Queen of the New Conception, I Am the Spirit of Love and of Peace, I Am the Mother of the suffering and of those who are alone, I Am the Mother of all.

At the request of the Divine Mother, all begin to pray the prayer to the Universal Mother.

Friar Elías: *Now She is again showing the medallion that She showed us in the beginning. Around it is written a sentence, a little closer to the edge of the medallion, appear three small six-pointed stars, which represent: the Spirit of the Son, the Spirit of the Father and the One Spirit, which is the Spirit of the Trinity.*

The Divine Mother says:

This is the Alliance of the beings with God for these times.

Today I come to request that you not sell what I am giving to you, but rather that you feel it is a sacred object, a Divine element that comes from the Heavens.

I am giving you so many keys so that you may believe in Me and trust in Me. I safeguard everyone in their inner worlds and hear each heart that cries out to Me.

Today I give you the Light of the Divinity in your hearts.

Friar Elías: *Now She is stretching Her arms downwards and is radiating Her Light to us, the Light of Divinity.*

The Divine Mother says:

Feel this path that you are building with Me, which in the end of times you will understand better, when you unite in Light with Me; in this way, I will be able to protect you and safeguard you.

Listen to My Message of Peace, My Message of Reconciliation. I have come from the Heights to see you, to be with you and with all of My children of this world.

You know that My message is being revealed in various parts of the world; listen to the echo of My voice, that it may resound in the depths of the consciousness and in the heart. In this way, you will be able to be My guardians of prayer, a redeeming prayer that must fill the souls that will come in desperation, that will come in search of Peace and of inner silence.

In the streets and in the peoples, you will see the demons that surround souls. That is why I give My Medallion of Peace, My medallion of the Divine Conception of the Trinity, so that the original Alliance, which is born of the Source, may protect and guide all of you.

When I am not here, My voice no longer proclaiming, it will be the moment in which you must unite with Me in prayer and build an inner dialogue with Me.

There I will be, like a father that hears and cries out for their children. As the Higher Father that is in the Heavens, so will He be on Earth for those who open their hearts to this new call of reconciliation and of peace. You must bring to Me those who suffer, so that they may be rescued, and those hearts that are asleep may find My Maternal Heart.

I Am the Bird of the Sun, the dawn of the morning, I Am the Queen of Peace that brings this energy for these times; receive it in your hearts.

Do not fear, I am with you, united in prayer we will build the paths so that the angels, My angels, may descend and, within what is unknown, rescue from the underworlds what is dark and what has had pain for a long time.

Give your prayers to My Heart, I hear them. Feel My voice that cries out; this is the last call, it is My last echo for this part of the World.

You know that I have appeared in other places for some time, carrying the same purpose of Peace for humanity, for My children and for your hearts.

Pour your voices into My Immaculate Heart, which hears and responds to everyone without distinction, to each one in due time and to each one according to the response they give to My call.

If I ask you to pray, it is because it is urgent; your beings believe little of what I tell you, but when you are here with Me, in the doorway to Heaven, you will see the path trodden and the Purpose of God that I am fulfilling today for this part of the world.

Touch My Heart with love; It will respond to you and My Light will ignite in your essences so that you may be affirmed in Me and follow the path among the abysses and the cliffs; I will be sustaining the cord, the bridge of light so that you may cross and we can meet.

Today I am carrying more souls to the Heavens with this Immaculate meeting.

Friar Elías: Now, She is igniting in Light and elevating Her arms upward.

The Divine Mother says:

If you hear My Voice, you will receive the Grace that descends from the Heights through Me, your Protecting Mother.

Friar Elías: Now, above Her head appears a great golden six-pointed star.

The Divine Mother says:

This is the final alliance for beings, for those that believe in eternity and unite with Me to walk upon new paths that I will pave, by means of the beating of your hearts within My Heart.

Today, I show you the candelabra, the seven principles of God that manifests in its flames: Love, Redemption, Unity, Peace, Healing, Forgiveness and Transfiguration. These seven principles will be poured out upon the World, into a world that experiences chaos and despair.

But if more souls respond to My call, with a permanent and continuous prayer, Graces will come in spite of the pain, and I will be able to transform everything in the hearts that suffer. Today I relieve your beings with a sublime Grace and I hope you will help me to alleviate the other hearts that are imprisoned behind the bars of evil.

Friar Elías: At this moment, through a vision of another plane, the Celestial Mother is showing the presence of souls that had been imprisoned behind bars throughout eternal times (centuries).

The Divine Mother says:

And so, between prayer and prayer, My sword will cut the evil and will tread the serpent so that My Heart may reign, the Will of God may reign, which you must come to know through the opening of your heart, your soul and your spirit.

I mark this path for you, go this way, upon the prayerful path with Me. In times of chaos, you will be able to find Peace and Love and, in this way, I will be able to trust in you, friends from other times, so that the rescue may be fulfilled in all hearts and in those that have been furthest away for a while.

Now, feel My Light that is descending and nurture your hearts with My Spirit of Peace and Redemption; this is the Grace that God sends to you.

Form groups of prayer for when the pilgrims arrive searching for My Light and My Love. You are before My Maternal Heart and this is how I want all My children to be, like on this day.

I Am the Conception of the Trinity, the Messenger of God for these times, the one who touches the ground with Her bare feet. Through the roses of light that I offer to you, may you take your steps, from your hearts rather than from your thoughts. True spiritual life is built under the instrument of prayer.

I am a faithful servant that responds to Higher Wills, as I once responded when I was here on Earth, sharing Redemption with My Son. He gave Me to you as the Mother and the Guardian of Love, to protect essences until His near return.

He is already arriving, He is already appearing. His presence will be seen and felt, not only in the heart, but on the levels of material life, in the chaos of this world. The Redeemer is coming and opening the doors of Mercy, before his final descent to the world to which He belongs.

I make My Peace descend toward your hearts.

Friar Elías: *Now She is stretching Her arms downward and holds out the orandium with Her hands.*

The Divine Mother says:

Unite with My prayer that has been constant since the beginning of My existence.

Silent prayer, spoken prayer, elevated prayer, prayer of the heart, prayer of the consciousness, prayer in feeling, in doing and in caring. Life must be a prayer; this is the new movement for these times so that souls may be elevated and find a refuge in My Heart, which is open and has been waiting for you for a while.

Lead souls to Me in your prayers and penetrate the Heavens, because I will listen and who trusts in Me will receive the response of My Inner Voice.

I Am the Bird of Mercy, I Am the Mother that comes from the Sun, I Am the Daughter of the Trinity, I Am the Guardian and Protectress of souls. Unite with Me in devotion for these times,

ignite the flame that is within, do not let thoughts make it go out, allow fire to be reborn within your hearts and there I will be.

Friar Elías: *Now She is elevating to the Heavens.*

The Divine Mother says:

Light your Suns that are internal and allow My call to be accomplished in your lives of prayer. Yearn for and seek for this fire that must illuminate the darkness in these times, when you unite in fidelity with My Heart.

Today I give you My Love; cultivate it in your hearts so that it not be lost in the tests. Remember what I am telling you; this is My last call for peace. I come in search of all those who once were with Christ and heard His message and the message of the Father; thus you recognized it and today are following it. See the Redeemer in it, see His Light, see His Mercy.

Friar Elías: *Now She is manifesting a great rose that is in front of Her being, an open red rose. She rises up more and more toward the Heavens. She is radiating more Light toward us.*

Now She is appearing, with a child in Her arms, and the two of them radiate Light toward the four cardinal points and behind them a heavenly door is opening.

The Divine Mother says:

I am the Mother of the Sacred Heart of Peace.

By the fire that is born from the Heart of God: in the Name of the Father, the Son and the Holy Spirit. Amen.
