**APPARITION OF SAINT JOSEPH IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY,
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

When the Most Chaste Saint Joseph appeared, He transmitted His [monthly message](#) to the visionary Sister Lucía de Jesús and a [special message](#) to Mother María Shimani de Montserrat. He then dictated some words through Sister Lucía:

Before I say goodbye, I want to request from each one of you that when you hear My Words, you try to open your heart, your consciousness; for in this way, My Word will be able to enter into the depths of your beings and help them to transform that which on your own you are not managing to do.

I come to the world, My dear ones, as an impeller, as the one that gives an impulse to your lives so that you may accomplish the Will of God.

Each day that goes by, you will understand My presence in the world, that I am not here just to bring a little relief to your hearts, but rather to lead you to a higher truth; in this way, you may discover within each one of yourselves why you are in this world, what you truly are, what perfect principle of God you are to express and should take into infinity to place in His Heart, in His Divine Heart.

I thank you for persevering on this path and I bless you so that you may continue in peace and in eternal trust.

In the name of the Father, the Son and the Holy Spirit. Amen.

Sister Lucía de Jesús: *Saint Joseph came to us in a somewhat unexpected way. The skies began to rapidly open and, like a sun of light, He arrived here, accompanied by many angels and by some saints. We felt that He was determined to give an impulse not only to us, but to all of humanity.*

At the moment when He arrived, He blessed us, opened His arms and placed many codes of light upon each one of us. At a certain moment, He asked Mother María Shimani to sit, listen and write down His Words, because today He wanted to give a fairly greater impulse to the world.
