DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF KRAKOW, POLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My children,

With the rosary in your hands, praying every day, and without forgetting to do this, the terrible plans of My adversary will be defeated and disarmed.

Therefore, with the spirit of an oak tree and filled with the Strength of God, continue walking by My side in daily union, under the spirit of prayer of the Holy Rosary.

Every time you pray from the heart and with consciousness, a new defeat of evil and its malicious plans takes place.

The Kingdom of God is again victorious within the beings who unite with Me through the redeeming power of the prayer of the heart.

It is in this way that I invite you to carry forward and to not give up on this battle in which everything will be allowed.

My Heart is the refuge for your lives and souls.

Remember, My Heart is the Door that will lead you to God and give you the peace of the Celestial King, Jesus Christ.

Live the reality of the cycle of definitions at this time, and I encourage you so that the victory of the Plan of the Most High be within the rosary of the heart for thus, all will be fulfilled.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
