MONTHLY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED ON AUGUST 21, 2015, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

My companions,

Like so many others that silently follow Me, may you learn to walk amongst tribulations and evil.

Let the Shield of My Heart be, for you, the barrier that separates you from the wickedness of the world and from enemies.

Let the Light of My Heart be your guide in the moments when only intuition will provide the answer, when I am no longer here.

This is why, in silence, as in meekness, I prepare you so that you may continue firmly in the Purpose that is above all adversity.

In truth I tell you, first you will find your own hell, but I promise you that I will not step away from anyone who invokes Me by heart and by word.

With a single breath, I will be able to dissolve any disturbance from your core.

So open the door to Me and invoke My Holy Name:

"Jesus, Jesus, Jesus Christ, my Savior, help me, guard me, and protect me."

Thus, I will be your perfect alliance in the name of the Love of God the Father.

Afterward, later, you will see the hells of this humanity burn up in flames and you will see how many will be lost, believing that I am present in some incarnated person.

I am present in the tabernacle of the humble hearts of the Earth. My Spirit is Holy and cannot yet descend to the abysses of this world, until the prophecies are fulfilled.

Have you read the writings of John, My beloved disciple?

Observe, then, that these times were already written, see the signs and do not fear, the Lord will help you to walk in faith and in love.

While you still have time, renounce, avail yourselves of each meeting with the Heavenly Messengers, for the time is coming to an end, the fruits must awaken through the prayer and the devotion of the simple.

My brothers and sisters, do not allow anybody to deceive you. I am only present in the Eucharist, in confession, in the prayer of the one who pronounces My Blessed Name without arrogance or fanaticism.

Seek Me and you will not lose sight of Me. In this time, I come to reveal to you the wise Mercy of the universe and to unmask the false Christs with My own Hands.

The only Christ is I, your Master, Who lived two thousand years ago among you to teach you to walk in faith and in forgiveness, Who was humiliated and martyred by all humankind and was resurrected and rose to the Heavens, whence He will come for the second time.

Woe to those who use the Name of the Son of God in vain and as a lie! On the day of Judgment, you will know the power of My Holy Justice.

Open your eyes and see the true Light of Heaven, which assembles you so that one day you may die for Me and live eternally in My Glory.

Read My Messages. Now I have sent you Saint Joseph every day, so that He may help you to truly find Me in what is most simple and pure.

Under the merciful Justice that comes from Heaven, be blessed and be attentive.

The Glorified Christ Jesus
