**APPARITION OF SAINT JOSEPH IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY,
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

While I pronounce My Words, just listen to My Voice in each of your hearts and receive the Will of God for your lives, for the portals of the Kingdom of the Heavens open today before your eyes, and the Divine Messengers cause to descend upon humanity the principles of perfection that, through the striving and the perseverance of all, will be able to transform humanity and cause the old human to disappear. And in this way, may you be able to accomplish the Will of God, the perfection of the human heart that is latent within each one.

Listen to me within you.

At this moment, Sister Lucía de Jesús stops to write in her notebook. On finishing, she again begins to transmit the Words of Saint Joseph.

Never forget that the greater the Grace that descends to the world, the greater is the urgency that is announced, so that you may quickly transform and live the Will of God.

I bless you.

In the name of the Father, the Son, and the Holy Spirit. Amen.

May you continue in peace and in trust, so that the Plans of the Creator are fulfilled in your lives.

Song: Sacred Family.

Sister Lucía de Jesús:

Brothers and sisters, we wish to share with you all that today, Saint Joseph brought us a great surprise, a Message that we did not expect.

And during the prayer, during the last beads, we saw Saint Joseph in a space of the Celestial Kingdom, and He was showing us a blank book that He held in His hands. And He told us that, with that book, He would write a last history with humanity, which He explained to us in today's Message.

(Sister Lucía de Jesús then read the Message of Saint Joseph of [August 19, 2015](#)).
