DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The selfless being opens inner doors between the soul and God.

The selfless being attracts humility and awakens the love of service.

The selfless being is not afraid to renounce everything.

The selfless being receives from the Heights that which they need and nothing more.

The selfless being builds an unbreakable fortress within themselves through prayer.

The selfless being fully participates in spiritual communion with Christ.

The selfless being represents peace upon the planet.

The selfless being recognizes within themselves the infinite Presence of God.

The selfless being rids themselves of all they desire so that the ardent desire of God may prevail.

The selfless being opens to hear God everywhere.

The selfless being finds the presence of service everywhere and unites with it in order to give of themselves.

The selfless being is in the void of God so that, filled by His Presence, they may be in unconditional service to humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
