DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SANTA MARIA, RIO GRANDE DO SUL, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Pick yourself up from the ground as many times as necessary, recognizing your human errors, but not blaming your soul, rather take up a sufficient conviction to be able to forgive everything, as many times as necessary.

For this, take your cross and follow in the footsteps of the Master. In this way, someday, and at a special circumstance, you will realize, My child, that you will have dissolved from your consciousness those obstacles that always stopped you from walking.

Have faith and persist. Persist for the divine future and for the new and renewed humanity.

Transcendence of self is something of too much effort, but persistence and victory will bring their trophies in Heaven.

Identify with Jesus and, in this way, you will be able to find the inner means to transform everything.

Live in Jesus, in spite of uncertainties, and you will achieve degrees of love in likeness to those of the Master.

Continue to serve, aspiring and renewing yourself every day for, in this way, humanity, as spiritual consciousness, will be renewed, until the Lord of the Universe again descends to the planet for a second time to give you His greeting of Peace.

Go ahead! and follow the path of redemption with your entire being based on faith and hope.

I thank you for having prayed with Me today!

Who blesses you,

Your Mother Mary, Rose of Peace
