DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM BELO HORIZONTE, MINAS GERAIS, BRAZIL, HACIA LISBON, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When I hear your voices praying, the melody of the very simple devotion of My children resonates within My Heart.

It is that inner love of My children of the world that I feel, which causes Me to return to the Earth straight from Heaven, to bless it again.

When I hear the voice of My children, My Heart is flooded with an unknown and elevated love, a love that in many cases is held within them.

When I hear the voice of My children, it is the truest sign that, again and again, I must descend from Heaven to be near My children and thus, pour out the Light of God upon them.

Each time My children pray to My Maternal Heart, their Heavenly Mother can penetrate the darkest layers of the Earth to pour out the light of the love that many children need and, in this way, free them from perdition.

I want to continue hearing the voice of the prayer of My children in order to be able to return to the world as many times as necessary.

I thank you for responding to My call!

And be welcome in Portugal, the land where My Immaculate Heart once touched the essence of humanity.

Who blesses you,

Your Mother Mary, Rose of Peace
