DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

May the light always shine within you and may this light be recognized as the Light of Christ.

May the inner light prevail and may this light be of help and guidance during critical moments.

May the inner light reign at this time so that the Presence of God may expand beyond hearts.

May the inner light generate wonders and grant redemption to all who contact the power of this light.

May the inner light establish peace and harmony so that in the world there may be greater harmony and order in all things.

May the Light of God participate in communion with life and may life be filled by the Grace of God.

May the Light of God foster within consciousnesses the opportunity for change and a profound awakening.

May the Light of God grant the world the awareness of what it is doing and awaken a true repentance within more hearts so that the triumph of the Project of the Love of Christ may be carried out.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
