DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM THE MARIAN CENTER OF FIGUEIRA, TO BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS CORAZÓN DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

On this day, the first of June, a new period of light and redemption begins through the Pilgrimage for Peace in Europe, a moment in which your Heavenly Mother prepares, as you do, to travel through the places that have already been cited and where important spiritual works may take place, not only in the regions that the Divine Messengers visit, but also within the very needy souls that are to be found there.

Portugal has always been always chosen, not only because of its dogma of faith in My Maternal Heart, but also as the prelude, so that through the Kingdom of Fatima, the great rescue operation of that part of humanity, may move forward, and thus many situations may be avoided.

That is the reason why, by means of coming to Portugal, you will be to receive the inner impulse of Fatima so that, stage after stage, the Designs of the Creator may be concretized.

Today I am with you, by your side, accompanying you and protecting you.

I am internally preparing for this next mission of peace.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
