DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF WARSAW, TO KRAKÓW, POLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Second day of the Novena

And having carried souls that experience hate, anger and impunity toward the glorious Fount of My Divine Mercy, you will allow My Consciousness of Light to enter into those deep spaces of the being, where the most hardened errors and offenses are sown.

Through the Fount of Divine Mercy, the hearts that are most in need and distanced from Me will achieve peace and no longer feel the need of giving their lives into the hands of hate, anger or impunity.

Although justice is not accomplished in the humanity of these times, and those who are lawless have the power, I assure you that all this will not last, for those who fight by the sword will die by the sword, and their throne will fall, as will fall all their allies.

Thus, before the Divine Justice of the Son of God approaches, there is still time for you to submerge all those who need it into My Mercy so that the Law of eternal salvation may occur in the majority of the creatures of Earth.

I thank you for praying from the heart to My Divine Mercy!

Who blesses you with His Peace,

Your Master, Christ Jesus
