**SPECIAL MESSAGE OF THE MASTER JESUS, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS**

I am with you My little flock, do not fear for the end of this time because a new time will begin from the time of My redeeming arrival to your dwellings.

Be participants in My supper and feed your spirit as the birds feed themselves of God. Live My Signals, the revelations of My arrival from the time of your union with Me. Feel Peace upon all things, fear for nothing, as I have said to you - who will be persecuted for My cause will be dignified to live in the New Kingdom of God.

Conduct your lives to good paths that the time and the needs do not separate you from My Heart, and remain under My mantle as the sheep that are inside of the stable.

I want to be once again the Pastor of your lives, for this you must open the lock of your heart. You have the key for the encounter with Me, this is the great gift that God gave to you, to melt yourself with My Eternal Spirit, with the Spirit of God.

Do not have fear for how much you are being mistaken, raise your sight towards Me, I need you now with courage and redemption. Still you do not know the power of My Mercy and today I will tell you, the sword that trespassed My side at one time, it was the pain of humanity, and My Heart poured Merciful Love instead of pouring Justice.

What is the parable of My Passion?

It is the Love that I live for you, because if My flocks were not created by My God, how could I pour the fountain of My Love?

For this trust in Me, because at times you distrust Me if you ask for where I am and to whom My Heart may visit. I am the King of the Universe, I am the Pilgrim that searches for gentle and peaceful hearts, hearts polished and elaborated by my Love.

When you know that you cannot support yourself by your own self, open the door to your heart so that the thoughts may not separate you from Me, trust in who guides you because you could encounter Me one more time before you.

I have crossed through your life many times, did you hear me? I did - I heard you in the silence, in your aloneness, in your perturbation, in your tiredness, in your desperation, but you did not see that My Love always is there to help you at each time and at each moment.

I want from you the best, the will to live in Me, the hope that wakes up through the beats of your heart. I never have left you alone because I walk in the silence at your side. Look at Me! Contemplate Me! Stand up from where you are! Open yourself for the new and trust in the Will that I manifest for your life.

Accomplish day by day the designs of God, be humble in heart, be kind, say always the truth of the heart, build with prayer the new paths of humanity, live above all things in the Infinite Ocean of My Mercy.

My love is so great that I gave to you My only Celestial Mother and She with Her sweetness and love conducts My Flocks so close to Me. You are part of the Universe, of the Fount of Love.

May you in this time of changes be within the Fount of Love and of the Truth. May in you awaken the love that I have left to you.

There you have My Mother to find understanding in the spirit and in the heart. I accompany from the most highest of the Heavens all of My children, My partners, My missionaries, My flocks.

I am part of the Father and you may be part of Me, only tell me: Come Master, be in me!

Now calm your heart because the most important is that you live the forgiveness that My Heart brings to you. Today I gather you around the Creator Fountain of My Virginal Purity, of the great Mother Star of the Universe and of the Morning, because your hearts in this time of tribulation are being bathed by the rays of the infinite light of God, through the Immaculate Heart of My Mother.

Bring happiness to your day and remember that always I am in the Highest so that from there I will encounter you in this world. My Love continues being great and infinite for all, My Love feeds you and fills you with God.

I bless you with the universal sign of the redeemer Cross.

Christ Jesus.
