MESSAGE FOR THE APPARITION IN THE CITY OF BUENOS AIRES, ARGENTINA, TRANSMITTED BY MARY, MOTHER AND QUEEN OF PEACE, IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Blessed will be those who open their eyes and their hearts to universal truths and that during their lives remember that an origin exists to which they must return. Children, in these times in which humanity becomes lost through the tricks of the enemy, I invite you to be soldiers of My Marian army, so that, through prayer, you can remove from the webs of evil those who become lost each day.

In this time, I want you to also be intelligent, and through the heart, discover that prayer is the key that will free you from all darkness, and will keep an illuminated path before your eyes, which you must follow so as to accomplish the Plans of the Lord and His Divine Will.

Today I tell you that, while evil subdues many souls in this world, there must be those capable of converting into life all the words that were given to them throughout these seven years in which I am by the side of you all.

My beloveds, I want you to strive, in this time that is coming, to live the attributes of My Immaculate Heart; attributes that I have given you some time ago, so that you may achieve the principles of a new race.

My words must not become beautiful words for the moments when you need consolation. My words must give you the impulse to a new time, a new race that is capable of reflecting their likeness to the Creator of all things.

My dear ones, each day humanity draws further away from their likeness with God, and the Divine essence that the Almighty Lord placed in all His creatures is beginning to go out in many. For this reason, I ask that you not spare your efforts for once again igniting the Divine essence in your brothers and sisters, and within yourselves. For this, do not tire of praying and crossing the thresholds of this universe of prayer, which is still so unknown to all.

My beloveds, respond to My Call so that you not be surprised in the times that will come. Understand now that all I request of you is urgent and vital, not only for your lives but for all humanity.

Today I want to leave My blessing upon the city of Buenos Aires and upon all homes of the world, which in one way or another have opened their doors to Me. I ask that these blessings and graces I have given you not only be in your lives, for there are many souls that do not know Me and do not know I am here, waiting for them to open the doors of their hearts to Me. Thus, go and be carriers of all the graces given so that those who have most forgotten God may be touched by the cells of His Divine Kingdom, which I leave you today through My Word, in your lives and in your essences.

Multiply the blessings that you receive through prayer and the living testimony of My presence in the world. Announce that a new time must come.

Through love, teach how to love. Through the heart, teach how to pray. Through peace, teach how to bring peace to this world so full of sorrow.

I count on your hearts, which in this time must be the entryway for My Immaculate Heart to reach the world.

I love you and thank you all for hearing My Call.

Mary, Mother and Queen of Peace
