APPARITION OF THE GLORIFIED CHRIST JESUS IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN DE JESUS, IN THE 27th MARATHON OF THE DIVINE MERCY

*Most Holy Trinity,
Father, Son and Holy Spirit,
I adore Thee profoundly.
I offer Thee the most precious Body, Blood, Soul and Divinity
of Jesus Christ,
present in all the tabernacles of the world,
in reparation for the outrages, sacrileges
and indifferences
by which He Himself is offended,

And by the infinite merits
of His Most Sacred Heart,
and The Immaculate Heart of Mary,
I beg Thee for the conversion of poor sinners.*

Amen.

Look at my Heart without fear so that your lives may shine, for the desire of My Father is that His promises are fulfilled through all His children in the world.

For this to be possible, companions, your hearts must be entrusted, faithful and secure within My path of Light, and there cannot be any separations between your consciousnesses, because thus the promises will not be fulfilled.

May your hearts be attentive beyond your minds and feelings. May your hearts feel that My promise is being fulfilled at this moment, in this return that I have been preparing in your lives, in silence and prayer.

Just as your prayers are heard all the time, My Heart also answers them all the time.

Sometimes, companions, you will not experience that which you desire so much because it is not the Will of My Lord. The tests will come your way to strengthen your faith and fidelity in God.

For this reason, I need crystalline hearts that seek My Sacred Heart all the time and do not become tired of looking at It because from It sprouts the strength for the transformation of your lives and paths.

Today I invite you to abandon your resistances, so the ties may be undone. My sword will not be able to cut your ties any longer. Through the Unfathomable Source of My Mercy, your hearts already know how to do it, not only with the prayer from the heart but through the examples of your lives, of a life transformed in Christ and by Christ.

Why do you think I do not want to baptize you? In the plans of My Father, everything has its time and moment. I come to baptize you with My Spirit. Does the water have more strength than My Spirit?

My Spirit is present in everything and wants to be within you so I can baptize you in Grace and Love. Is My Presence this afternoon not a baptism to your hearts?

Blissful are those who believe without having seen, because they will be baptized a second time.

There are no preferences in My Kingdom, neither in My Apostles. This is why I come to transform you, little by little, so your lives will not submerge in sadness, despair, or in the disturbance of not believing that you can make it. If you look at My Heart, you can do everything.

I come to offer you the best that I have all the time, and I will not become tired until you are able to feel and understand it, because My Heart is the Grace that penetrates everything, it is the balm that gives you Life, the Universal Life, the immaterial Life.

Is this not a baptism to you? John prophesied it. I baptize you in the name of the Holy Spirit that is the greatest and the maximum Gift among the gifts, which comes from the Heart of My Father to resurrect the life of the matter and make it pure in the immaterial Source.

I wish everyone could live the Sacraments only once, but I come to remember that the gifts of the Sacraments are sacred to the Father, and the souls have not known how to benefit from them throughout the history of this world.

This is why I come to ask you to baptize yourselves in the name of My Spirit; to purify yourselves, washing your feet in the name of rendition, and to be anointed with the Cross of My Heart in the name of cure and peace.

However, for you to live it, the Spirit and the Gifts that come from My Father cannot be desired. How will the Spirit of God transform you while your will exists?

I come to divest you from everything, each one in your own degree of learning. I come to reform you in body, soul, and spirit through the Sacraments. But the more baptized will be the ones who live it in the name of their brothers and sisters than for themselves.

While I am present, think about Me. Place the ardent attention in My Heart, so that your lives participate in this Communion with Me.

Yesterday I came to give you a lesson of humility, that is necessary for the world because the hearts should know what they must change in time so they do not deceive themselves.

I come to bring you the Truth because even though you do not deeply know It, since It is a Truth that comes from the Heart of God, I bring a part of this Truth so that your hearts, though My Wisdom, grow in maturity and awareness.

While My angels work in the world, I wanted to see you more available to carry forward My Works of Light, for you have received a lot and will continue to receive a lot from My Heart when there is a true balance between humanity and God.

I bring you a very unknown science that, though My simple Words, you are being invited to know, because My Life in the Heavens is simple. There is no mystery in this Work, only those which people place, like a seal, in the Heart of God. The Heart of God is open to receive you. Your hearts are the ones which close before the Presence of God, and even more before His Son.

I do not come to demand anything to the world, but for you to be aware of what you do and what you think, so as to not degenerate perdition even more.

I open a door for you every day so that your hearts rejoice and amplify your spirits in the sacred attunement with God.

Through this ministry of the Sacraments, that I ask you to live in My Name, I come to bring new Graces, but great Graces will be carried to the hearts that unite to their brothers and sisters who live the Sacrament.

Now, do you understand how things work? Many times you were baptized by My Spirit, but only a few noticed it. I come to bring you this Truth because they are My last Gifts that today I poured out upon the world and upon all souls that strengthen in Me to fulfill the Project of God.

May your hearts not be distressed, but may your eyes open, the eyes of the heart, to feel My Life, to see My prodigies, to recognize My Spirit that lovingly and tirelessly visits you.

But today I am not only here, I am in omnipresence and omnipotence in Aurora and in each human heart that, at this hour of unfathomable Mercy, has opened the door of their hearts, breaking the barrier of their inner resistances.

I do not come to force anything on you. I come to bring you a new Grace that flows from My Heart and My Hands to all the souls in the world.

You are a group of souls constituted by My Spirit of Light. When a soul fades away, many more will fade away. It is like a rotten apple in the basket with other apples. Who will save them in time, before their hearts are hardened?

I come to work with your obstacles because something must happen on this planet in the face of everything that is happening. Many are not aware of what it means to die at the hands of others, to starve and not have consolation in their hearts, a house to live in nor a bed to sleep in.

You have everything. My Heart has given it all to you. What else do you want from Me? While the world suffers and the lights of the souls fade away, will you take the risk to work with Me and leave your conveniences?

I do not come to disturb you. I come to give you My Message of Peace and Truth. The flames of hell burn upon the planet, but the Islands of Salvation still exist. Hearts madden day by day and minds lose their control. I come to give you the balance of the universe which is called unity. If there is not unity in you, there is no unity in the world.

It is time for you to leap beyond the abyss to find the Kingdom of God. My Heart is consoled by those who feel safe for being in God and in themselves. My Heart rejoices for those who pray with sincerity and that despite everything that I tell you today, they feel deep inside that it is true, thus the seed of Light is planted for the next Earth in the spirits who are consequent to My Call.

While I speak to you, you are gathered around My table, around My Celestial Altar, full of angels of Light that glorify God all the time.

The Primordial Source wants to see you peaceful so that the Work may be manifested. What are you waiting for? Come to Me without fear. My Heart will embrace you. My Fire will transform you. My Spirit will raise you to the Heart of the Celestial Father.

The Father also needs to be consoled for the horrors that He sees in the world, for the horrors that He sees in the world, I repeat it because a great part of the world is a horror. But all this can be changed if you follow me at this hour of Mercy.

Companions, while I speak to you, I not only observe you but everyone who listens to Me in each part of this world.

I come in serenity to tell you all this because I know your hearts can be receptive, and later on, when everything is over, you will understand it.

And now, by the Grace that was granted to Me on the Cross, let us glorify God, and I will bless each one of you, in this perfect union with Me through the Sacraments of Light which are the means for souls to attain existence.

My children, come here to be part of this consecration, in harmony and silence, not forgetting that My Spirit is present here.

While I bless you with My Spirit of Life, ask God for forgiveness in the name of humanity, for all the times to come, so the Work of the Son of God may be fulfilled through His Graces that are poured upon all the hearts and souls that sincerely seek rendition.

After My prodigies were poured out on each one of these elements, I bless you once again as a part of this unique humanity that should glimpse the New Earth on the coming horizon.

Blissful are those who cry, because they will be consoled by Me.

Blissful are those who repent, because they will see their new spirit be born.

Blissful are those who forgive, because they will find peace.

Blissful are those who unite, because they will live in My brotherhood.

Blissful are those who rejoice themselves, because they will live in the joy of My Heart.

Blissful are those who free themselves, because they will find their freedom.

Blissful are those who are merciful, because they will see the Light.

Blissful are those who reconcile, because they will be in the Unity of God.

Blissful are those who pray, because they will be awarded in Heaven with the sweet Crowns of the King.

Now you will listen to a song that filled My Heart during the Sacred Week, for in these words, as simple as they seem, the feeling of true love for My Heart is found.

Before the afflictions that the world causes me, I give you My Divine Mercy so that, in the times to come, you be true apostles of My Heart.

Now listen and feel, to understand what I ask of you.

While I elevate to the House of My Father, where a place for your next life awaits you, I bless you in the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

You must be like children to understand My Kingdom, because they are the first ones to enter Paradise.

I thank you and give you My Peace. Hallelujah!

Smile, companions, for this is part of the healing that My Heart radiates to you for these times of crises. Those who smile from their soul, smile with their spirits, and God sees His original Project reflected in your faces.

Peace for everyone.

So be it.

Song: "You are the King".
