APPARITION OF THE GLORIFIED CHRIST JESUS DURING THE SACRED WEEK, DAY 1, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear beloved and favorite ones,

I am present here, believe that for an instant.

I come to gather the not chosen, those who have remained behind on the path of transformation.

I come to open the door of your hearts through My Heart, so that the infinite mysteries of My Love may be revealed.

I need to create new apostles upon the surface of this humanity, and that there may emerge those who will announce My near coming in a simple, humble, and austere way, because the true Word comes from the Divine Word of God, and your hearts can be enriched by the Light of the Holy Spirit.

As it was some time ago, I come again to be in your lives for seven consecutive days. My hope is to share the Instruction and parables with all of you, as I did once in the past.

So I will gather you around My sacred table again, so that you may share the Bread of Life and the Redeeming Blood with Me.

New souls congregate in the consecration to My Sacred Heart this evening. For this reason, I gather the beginners again, those who must learn to love and serve.

In truth I want you to be able to feel the warm Word of Life.

I will also be gathered with all of those who are by My side, sharing this path with Me in each center of prayer and each home. Thus, you will be able to see, dear companions, how My merciful Rays stretch out upon all the places on Earth.

The Holy Father Francis has begun this Sacred Week with an important question for humanity, which I consider to be important for you. I have meditated upon it and I wish to tell you, not as an observation, but rather as meditation and reflection for your consciousnesses: On which side were you in the epoch of Jesus? Were you the Apostles or the Pharisees?

It does not matter who may have condemned Me or who may have loved Me, I come to demonstrate the power of My infinite Mercy to you because the Love of God can do anything when the soul is willing to experience it from the heart and to learn the new lessons that Heaven presents to all souls that are on the Earth.

Today I want to address Myself to you through Love, to open the dwelling places of your hearts through the new keys that I bring in My Hands to assist hearts that have fallen and to heal souls that are wounded.

In each new meeting with Me through merciful prayer, in a group of souls as well as in solitude, I am present there to help you.

My Silence is eternal and permanent. My Words are spoken in your hearts through the Guardian angels, through all those that follow this Higher Plan.

Thus, in this week that is beginning, may your hearts begin to warm up through My Divine Fire. I would wish to place many gifts upon you so that the task may be fulfilled and the mission may be concretized just as I have foreseen from the beginning.

I would like to send a greeting of peace to all those who unite with My Passion. Precious and divine codes will be poured out upon the consciousnesses that open to listening to My call of the end of time.

I come directly from Heaven into your lives to announce something better, something good and kind that is born from My Merciful Heart. For this reason, do not fear to abandon that which you have not done well.

My Heart comes to heal the past and also the present. Open yourselves to the channel of My redeeming Healing. In these days I will be a stream of Light in your hearts, water that will wash your wounds, and linen that will heal your wounds.

I offer Myself this evening to listen to more prayers that may ignite My Merciful Heart, to feel your true love for Me, so that more Light can be poured out upon the world, mainly upon those souls that have been denying My Presence for such a long time, and even though I crossed their paths, and had been seen by everyone, they did not recognize My Priestly Presence through the good hearts that serve in prayer and service, because through such simple acts, I am also present in everything.

I gather you all in the cenacle of My Most Sacred Heart. A new celestial gathering, a new meeting with Me is being gestated and this will be born through My Divine authority, through the power of My invocation to all souls. Because My Light, My Love, and My Spirit are disseminated throughout the world as a fire of peace, igniting new sparks of light in hearts, bringing healing and redemption to all.

I know that many have questions for Me. Offer them, because I will listen to them, and in due time I will respond to them.

I have a perfect path for each one of you. The time has come for you to return to the Master, to the Shepherd of the heart.

Now bring the water, the bread, and the wine for the consecration, Heaven awaits.

Each Communion will be different on these days. I invite you to find the answer in the act of Communion with Me. If you open your hearts and minds, you will find the answer.

I will pour out a divine gift upon each Communion, and at each new Supper, a further piece of your beings will be healed.

The Light of the Universe resplendently shines today.

I invite you to bow down before Me for the consecration. Today is the day, it is the beginning. Today is the Alfa and Sunday will be the day of the Omega.

Friar Elías del Sagrado Corazón:

Our Lord is asking for more water because he says it is too little.

This water will be sprinkled upon all those present, as my first blessing on this Sacred Week.

Let us pray, at a request of Our Lord, the Devotional to the Divine Mercy seven times:

*Water, Blood, Life and Redemption
that flowed out from the Blessed wounded Heart of Jesus,
Have pity, mercy, and compassion
on all of us. (x2)*

*Celestial Father,
Supreme Unity,
Supreme Consciousness,
Supreme Love,
Have compassion on all of us
and on all humanity.*

Amen.

This afternoon, My Feet land on the ground of Aurora, very close to your hearts and lives.

I come to bring relief to those who cry out for redemption and especially for those who have forgotten My Father. Make an offering to God at this moment.

The Altars of Heaven open through My pastoral Priesthood so that all the offerings may be placed at the feet of the Creator. My Heart will be like a bridge to you for this to happen.

I Am the expansion of the Light of God to the world.

I Am infinite Love for all beings, the living and resplendent Love, the curing and healing Love.

Receive the blessing of My Heart at this moment.

A Ray of My Heart is emanated upon these elements and all humanity.

I expand the entire Source of My Divine Mercy from My Celestial Universe.

I bring you Peace and rehabilitation, the new path that you must follow with Me, which I invite you to follow in trust and wholeness through the powers and gifts of the Father, through the powers and gifts of the Son, through the powers and gifts of the Holy Spirit.

I bless you and I bless all the hearts that listen to Me.

Go ahead, a Higher Paradise awaits you. Trust in Me.

I thank you!

In the name of the Father, the Son and the Holy Spirit. Amen.

Song: "Mercy, Supreme Creator".
