WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Prayer is the great key that opens the door of the Heavens.

When your prayer is sincere and without haste, it is a selfless prayer. It produces great effects through the soul that practices and lives it. It is the way you can be in contact with the Heavens in these times of definition.

Sincere prayer will always place you on the correct path again and in the correct spiritual vibration. It will protect you from yourselves and from the other events that are approaching.

Prayer is the true vaccine against any adverse epidemic, because as you pray, My children, you elevate the consciousness and the space that surrounds you, generating an important vortex so that the angelic universe can transmute darkness.

When this prayer is offered in group, beyond distances, its effects are global and many benefits are established within those souls that were already condemned.

You should become aspirants of the mysteries of prayer, because prayer, remember, at this world moment, is the essential and primary nourishment of the humanity in transition.

I invite you to pray without causes or conditions. I call you, My children, to offer your lives as a constant prayer so that your examples may be consolation for God, offended and injured by the world's indifference.

During this Christmas, offer your prayers for the refugee children and families, for the grave humanitarian crises, which multiply faster than fraternity and the good.

Relieve, through the Rosary, the undignified life and pain of refugee women, of those who have nothing and are neither accepted nor welcomed.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
