**MESSAGE FOR THE MONTHLY APPARITION IN THE MARIAN CENTER OF FIGUEIRA,
TRANSMITTED BY THE IMMACULATE CONCEPTION TO THE VISIONARY FRIAR ELÍAS**

May the Peace of Christ be always in your hearts!

In the end the flowers of devotion will open up in the interior of all those that invoked the Precious Name of the Lord yesterday!

Praised be Our Father who is in the Heights!

Glorified be always His Presence, in Heaven as on Earth!

May the angels always elevate the humble offers of love from all the children of God.

May every expression of true devotion among the healthy creatures permit that the plans of the Most High be concretized.

Praise be the name of Adonai!

Blessed be the presence of Emmanuel!

Hallelujah for the existence of Abba, the Eternal Father!

May the Infinite Heavens be opened and may the rays of Mercy be poured over the impious and the innocent. God is for all the creatures; His loving presence is in everything that is life and evolution.

May the great stars of universal salvation descend upon the Earth.

May the doors of love and of celestial healing be opened for all.

May the suns awaken to the Great Call because for the Father, the time of salvation and forgiveness has come.

Let us glorify the God of Love! May all the souls of good will pronounce His name and may all of humanity receive the power of His Grace. As the Sacred People of Israel, the soldiers of Peace come together to respond in joy to the call of Adonai.

Holy is Our Lord!

Holy is Your Name forever!

May Your Original Project be accomplished in all the hearts now and always!

Amen.

Dear children: may this divine declaration of love and of devotion awaken in you the enthusiasm and the spiritual and inner impulse to proceed forward. Remember My little ones, you have a place

saved for you in the Heart of God.

For this, be encouraged to live the accelerated transformation of the end of this time, in the same way as the world turns fast, the souls reach the path of transfiguration.

I am among you always; I bless you. That on this day of unity and of joy may you receive My dear children from prison with love, because now I have opened to you the door to Freedom, to the Freedom of the heart and of love.

I love those that surrender at the feet of Christ because Your King will liberate you.

Thank you Figueira, Sacred Tree, for responding to My call!

Mary, Immaculate Conception
