APPARITION OF CHRIST JESUS DURING THE 37th MARATHON OF DIVINE MERCY, IN THE DESERT OF CHILCA, PERU, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

If you thirst for Me, find Me in the desert, because I know all hearts that give their life for Me and for the Plan of My Father.

In this defining hour, I find you again for the second time in this sacred space, in which My Spirit rejoices because the Doors of the Heavens are opening, to have His Graces descend on those who most need them.

If you thirst for Me, seek Me in the desert, because I Am the inexplicable Source, the extraordinary Spring that emerges from the depths of each being, to give them spiritual life and consciousness in these end times.

Come with Me and cross your inner desert, for I will never cease to guide you.

My Purpose is that you walk by My side every day, so that you may know My Plan, which is the Plan of the Great Brotherhood.

In this sacred place of Peru, My Father sent His Messengers, so that the world would become aware of the truth, a truth that it did not yet know, a truth that is above this Cosmos, and beyond it.

He sent His Messengers from the Universe, from Heaven, and beyond the Heavens, so that through the Truth, those who were awakening could know the reality of the Universe.

Today I come with this testimony for you, for this cannot be lost from human consciousness.

The treasures that come from the Universe are incalculable. The human being cannot measure them, nor appreciate them; but if your hearts are grateful, you may come to know them and know about the dimension they encompass when souls receive them in wholeness.

My Voice is proclaimed in the deserts of the world to testify to humanity that the Plan must continue in spite of what may happen and that you will know the Purpose when you adhere to this grand Plan, that My Father has designed since before Creation.

I Am the emanation of this Source of Love that nurtures you and gives you life, Higher Life; that gives you essence, renewal and Grace.

In this silence of the desert, the most precious mysteries are held, which once, as in this place in Peru, were shown to those who were self-summoned, as were the prophets and the Patriarchs, to live the Purpose of God.

I know that many would like to know, companions, what it is that you are to do in this life. I tell you, love the Plan even though you do not know It, and you will know It.

Each one of you is an important piece of the Great Project of God and of all the Universe.

You are stars that fell to Earth to be redeemed through the offering of My Presence in the world, of My Passion and My Resurrection.

You come here to be self-summoned, to fulfill a goal, a mission, that goes beyond your capabilities and your feelings. For the one who is in My Father is in His Law, is in His Consciousness, in His Divine Purpose, in His Divine Thought.

I bring you the possibility, companions, of taking that leap to the path of surrender, which is a path of constant renewal, deep transformation, in which all the fears of the Consciousness are set aside.

In this sacred desert, this essence is to be found, which once tried to motivate humankind of the surface, so that they would be able to carry forward what the Messengers of the Universe had announced in this goal of living the Mission of the Plan.

Now I bring all of you, who through My Words in these last three years have been prepared for this moment, to this desert, in Consciousness and in soul, where once, in this world, the truth began to be known, which many always wanted to conceal.

Universal Life, the essence of Life and of Sacred Knowledge, is a living existence that is experienced in all the Universe in real time, a time that the world has still not reached, because of its indifference and its errors.

But to those who do want to follow Me and open the eyes of the consciousness and of the heart even more in order to see what is beyond this, I will give them what they need and they will not waste time.

In the past, I taught My Apostles, as we walked through the deserts, about what this Higher, Universal Life was, in which all the consciousnesses of the world are included, despite not consciously knowing it.

That is why souls are tempted by My adversary to step out of this purpose, the purpose of their awakening.

So it was that, after two thousand years, when I had already ascended and governed a large part of the Universe, as I govern it today, I sent the Messengers of the Universe, the heralds of the Universal Message.

Many believe that between Christ and the life of the Universe there is a separation, or that it is a mix of beliefs and of philosophies.

It is not this way, My companions. Those who claim they are wiser are mistaken.

From the beginning until the end, I will be that Great Star that governs all things, being an emanation of the Love of God.

It is because of this love that I lived among you and for you, that the Universe experienced its transformation and set aside its duality, to find the new path, the path of Ascension.

When you are in the deserts, you must not fear the emptiness, that which you still have not managed to achieve.

Thus, I am here, because I Am that Source of Love that will satiate you.

Today I bring you the Principle of My Renewal, because it is time that you go through this portal. Many consciousnesses have been waiting for this moment for a long time.

Your prayer in this Marathon is heard from the deserts such as this one, in Peru. Your words reverberate and rise up, crying out to God for His Mercy for the world.

Know that today My Heart receives all your entreaties, those that you profess through the prayer of Mercy, and that your consciousnesses are here with Me, in this desert, to cross it in consciousness and without fear.

For I Am that Heart that still offers Itself for this unfaithful world, for this cruel and indifferent world.

My Heart comes here for the souls that respond and that dare to follow My steps in trust and that, little by little, enter My Christic Path, the path of complete redemption of the consciousness.

Today I have come to give you thanks for understanding My Plans, and for those who are happy for having accepted this moment with Me.

In quietness is to be found the great silence, the silence that all the deserts offer. It is the moment in which souls may unite with God in wholeness.

I give you peace and I give you My Grace so that you may receive them in love and in renewal for your consciousnesses.

I hold you all in My Heart and I pray for you and for the world in this desert of God.

I bless you,

In the name of the Father, the Son and the Holy Spirit. Amen.
