APPARITION OF THE GLORIFIED CHRIST JESUS IN BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN, DURING THE 14TH MARATHON OF DIVINE MERCY

Mother María Shimani de Montserrat:

Good afternoon to everyone and thank you for accompanying us. We are in the final stretch of this Marathon of Divine Mercy, and yesterday, Our Lord told us that He had been able to do part of the task that He had entrusted to us, of carrying the essences of the unborn to the Kingdom of God.

And today, with this very intense task that took place here, which was heard in all the spaces of this place, Our Lord certainly did the other part of the task. So now, we are going to begin to pray and sing, preparing for His coming, and see what He has for us this afternoon.

We want to remind you that He asked us to pray with all our hearts because if we do it in this way, we will be united with His Heart. Yesterday He told us that from His Heart pity should be poured out for this world.

So if we are connected with Him, we will certainly receive a great blessing this afternoon. So let us apply all of our energy, all of our love on this final stretch.

Good work of prayer to everyone!

Today My Heart emits Its Voice of Peace to the world. I bring hope and joy to those that have lost it. I come to bring a great silence to this very noisy world, so that hearts may enter into My universal harmony.

I bring you the faith and the confirmation of My Presence. For this reason, I bring you the Light of the universe so that your eyes can open to the unknown and to that which is new.

Today I offer you My Heart as special gratitude due to the effort you have made to pray with Me these days.

Today Heaven opens to your souls and it pours out Its Graces and treasures upon simple hearts; seeds that will sprout in the future so the gifts may be available in this final Project that must be accomplished through you and humanity.

Feel the beat of My Heart and stay with Me in this very difficult hour, for the world needs a great deal of relief and much healing and consequently, much prayer.

I thank all My companions who commune with Me. The prizes will be given in the universe and you will be honored in the Kingdom of My Father. The doors are opening in this place so as to be able to bless everyone, mainly those that have closed their hearts to My Heart. My Light penetrates into what is deepest and darkest, it dispels the darkness and brings the light of healing for this humanity.

I gather you in the name of Love and of Truth. I bring you the consolation that you are in so much need of so that at the end of this time you may be renewed by the Spirit of God and you may prepare, as My warriors, for the moment of the great Return of Christ.

Many of you will see Me, but some will not recognize Me. Be consequent with Me every day of your life, and thus I will avail Myself of your virtues and skills to accomplish My Redemptive Work at the end of this cycle.

Give Me that which you have still not given Me. I need the warmth of your hearts so that you can perceive pure thought and feeling, the mysterious flame that transforms and redeems you.

I Am the Glorified Heart of Jesus. Blessed will be those that honor Me in this cycle. Glorified will be those that serve Me fully, for they will be performing works of service and charity, of surrender and sacrifice for those who still do not do them.

As I did in Rwanda, I come to avoid the Law of God applied to this world, for this world belongs to Me since the beginning.

I Am the emanation of the Great Spirit of the Creator. My sublime Laws can permeate and heal you, erase any pain from your cells so that you may live in My Mercy in this very difficult time.

Every day, at three in the afternoon, My source opens for all of humanity. My Heart deeply gives of Itself to those who may wish to receive it and transforms that which is un-transformable, redeem that which is irredeemable, heal that which is incurable. Thus, trust in My hour of Mercy.

I come in this time to this world, not only for you so as to awaken you, but for those who continue to sleep in their own illusions.

Woe to those who deny the Son of God! How will I be able to pour out My Graces upon them?

For this reason, I need all your instruments, your hearts, and your lives, so that My currents of redemption and healing can be poured out upon all of humanity.

This moment that you share with Me is unique and will not be repeated in this place. The need of the world is very great, the emergency in souls is even greater. There are many lacks, many needs to be resolved in this era.

So that all this may be covered and everyone receives that which is necessary, I need missionaries of My Mercy, missionaries of prayer and service that can transmit My Higher Law, the Law of the Father, which is the Law of Love. A Law that will lead you to unity and redemption.

Do not fear purifying yourselves in this time. Allow My angels to untie your knots. This moment is unique for all and many do not receive these Graces, for My Spirit, which is immaculate and pure, which comes from the Greater Source of God, comes from the highest to meet with you so that you can awaken and understand what is happening within you and to Me.

Have you ever asked yourselves about it, My companions?

Many of you already understand all these things. You have walked with Me for a long time in the great deserts and valleys; you have heard My preaching and My Words of Life. You are remnants of ancient peoples, the great peoples of the desert who heard God, from Moses to Abraham, you have

always been with Me in spirit and life.

But the time has come, My dear companions, for you to assume the final task in this time. Each knows what they can give Me. I do not come searching for perfect nor preferred things. I need your miseries to be able to transform them.

Thus, I will rebuild all your essences and those of your brothers and sisters so that you may rise again in spirit and, renewed by My Light and Peace, you can find again the path you have lost.

In truth, I tell you, My friends, all those who have gone through the Marathons of Mercy have already returned to My merciful Heart. I give thanks to those who have persisted in accompanying Me during the two days; who have renounced such vain, material, and mundane things to meet with the power of My Heart.

My beloveds, you have been transformed by My Celestial Light and this brings consequences of transformation in all of humanity. The sorrows of this world are being alleviated and many hearts that suffer are finding consolation.

I want to have you recognize the Kingdom of God, which is approaching through My cosmic Presence.

This is My last Call, before the great and awaited return. Do not think about how I will return; just seek to be within Me every day. That will be enough for you to recognize Me at the great and awaited moment. Nothing will cause you to fear. Nothing will disturb you. Nothing will take away your faith and inner strength because this will have been a great consequence of your perfect transformation through My Heart.

Today I will bless you with the Water of Life, with the bread and the wine that represent My Body and My Blood, precious codes that transform you, day after day.

My Hands will wash your feet and I will also pour out blessings upon your heads, giving you the Baptism of My Heart so that you may be bathed by My Holy Spirit.

My companions, renewed through this meeting with Me, enter into the Kingdom of My Father because He always awaits you in silence. He is always there to help you, listen to you, console you, and love you.

Believe in what I tell you because the time of the great change is coming and at that moment your hearts and souls must already be strengthened, because through Me, through My infinite Mercy, you will be immovable and will accomplish the part of the Project that I am giving you today. A Project that is unknown to your minds, but deeply known to your souls.

Through this Infinite Heaven that communes with you, I bless, forgive, renew and redeem you. I give you My holy Body and My precious Blood as codes of transfiguration for your lives.

I bless you and love you by the Power that God gave Me for this world. Go in peace and trusting in Me.

With your hands, hold up the torch of rehabilitation. Liberation is close for many. Joyful are those who trust before experiencing it because they will lack nothing.

Now I observe you in silence to elevate your miseries. My Love is strong and transforming, a Love that comprehends and understands your lives, no matter the degree of error; what matters is your trust in Me. In this way, you will not be separated from Me and will always be blessed.

Open your hearts to forgiveness. Free your essences from the stains that darken them. I bring you the renewing fountain, the beating strength of the Higher Universe, the Celestial and Divine Unity that quenches the thirst from all hearts. I bring you the power of reconciliation and infinite life for those who truly believe in the Redeemer.

I thank you for elevating the unborn into the Higher Kingdoms, where they will be able to be born again, in spirit, in the dwelling places of the Father.

The strength of Mercy will never separate you from Me, as long as you trust in what you do. When you pray from the heart and soul, Mercy will always help you and everything will be resolved in this definitive time.

I thank you for trying to be merciful in these times.

Move forward and with faith; My Heart accompanies you.

In the name of the Father, the Son, and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón:

At the request of Our Lord, we will sing "Christs of the New Time" with a lot of devotion, to say farewell to His Higher Consciousness.

In the name of the Father, the Son, and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

We wait for you all in the Heart of the Divine Messengers. Remember to always pray, every day, so that His Plans may be concretized.

Thank you, Lord, for all that You give us!
