APPARITION OF THE GLORIFIED CHRIST JESUS DURING THE SACRED WEEK, DAY 2, IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Archangel Michael says: "Adore the Most Sacred Heart of Jesus, it is a reason for honor, glorification and Mercy."

The Power of My Heart is unknown to many. Therefore, I come at this time to reveal this secret to you; after a great battle comes the moment of restoration, of cure and healing, through the works carried out by My guardian angels.

I send each one of them to descend to humanity and heal all souls, especially those who recognize My Priesthood, and who work together with Me without separating, not even for a moment.

I come here this afternoon to reveal to you the power of My liberation, that which I fulfilled on the Cross after Death.

After so much time, I come to search for those who condemned Me, who martyred Me and those who nailed Me onto the Cross without a single drop of compassion.

For this reason, I open My Arms mercifully, to assist not only humanity, but also all those states of consciousness that humanity does not want to see or recognize.

But the time of the Supreme Law is coming and everything that was said will be fulfilled. You will see things emerge on the horizon, the Aurora that is born and the moon that is bloody marking a new sign for the world.

What was said in the past by the great patriarchs will be lived again and everyone will participate in such unknown mystery.

My Eyes of Light observe you today with charity and compassion. They observe each one of you and each one of those who hear My Voice. Your souls become crystalline before My vision and I can see everything, even the depths of your consciousnesses.

The time has come, at this time, for Me to tell you the Truth, the Truth that will prepare you and lead you towards the goal. But know, My flocks, that you must bear witness to My Presence in the world, so that all My children who are very confused, even those who live My message, can be resurrected by My Presence, by My Love, by My Mercy.

You have not yet understood what it means that I shed such precious Light every day at 3:00 p.m., when My Light descends to Earth, opening Rays of Light upon all consciousnesses, so that evil can be extirpated and all can be redeemed through My Merciful Presence.

Today I am at the top of a great mountain inviting you to climb up to the top so that you can meet Me and that I can make you feel what for so long I have wanted you to feel in your hearts.

I know that many of you will not understand My Mystery, but keep My Presence in your lives as a fundamental key. Trust in this time in all that you are living; Each thing has its place and its time, and I accompany all those who dare to say "yes" to Me.

I open doors for hearts that are wounded, and I resurrect the spirits that are living dead.

I open the hearts that have no light and gather them all around My sacred table.

The most important thing I want to tell you on this day is that you keep a memory of all the meetings you have had with Me. Know that I come to lead your higher beings.

Matter will die on Earth, but the soul will continue its evolutionary path. My main objective is that you reach the Great Star and may be able to merge with Me in the Spirit of God.

That is why I am here, companions, to open your eyes again. I need your sincere and definitive "yes" so that I can build new dwellings in My return.

I gather you again around My Most Sacred Heart and I show you the value and power of My luminous Heart, so that you can identify it as the great star of this Universe.

I will assist those who say "yes" to Me.

This spiritual mountain on which I find myself today is the same one as that on which I pronounced the Beatitudes.

Where I have been on this world My footprints have remained.

Those who trust in My Presence, throughout the times, have been able to resort to My primordial assistance. I have given My Healing and My Mercy to you. And all those who have trusted in My passage through the Holy Land, have received in their hearts what I had waited for so long.

Therefore, it is a cycle of great opportunities for everyone. Take the risk to die through Me. You will lack nothing. You will not be alone, but you will be in My Divine Trust and My Words of Light will reverberate in your hearts, so that the seeds of light can be sown, those that will be born and will sprout in the New Earth, the Earth that the desert people sought so much. A spiritual and immaculate Earth, a Kingdom of blessed and good servants who are constantly around Me, where I hope that many more can enter, in spirit and in consciousness, in serenity and in peace.

Today a great liberation has occurred in the world. It is not by chance that all souls come together through My Passion. Each year that you live this new mystery, everything can be liberated, and My Heart opens the doors for those who have fallen, cures what no one has been able to cure and heals what no one was ever able to heal.

I have already said a lot to you. It is important that you keep My Words for the difficult times.

In any situation, of any severity or pain, look into My Eyes.

In the face of any disturbance, dissociation, or distrust, look into My Eyes.

When everything seems to be fallen and you feel defeated, look into My Eyes.

When you do not have the strength to go forward and bitterness is greater than hope, look into My Eyes.

Feel My Presence. I am already returning to baptize you again with My Spirit of Mercy.

Look into My Eyes and feel God in every place and in every space.

Look into My Eyes. Even if evil wants you to succumb, My Power will save you because I am in everything and with everyone, even in the smallest details.

Look into My Eyes and do not lose sight of Me.

Look into My Eyes, I am here to heal your path.

Look into My Eyes, I am here because I need you.

Who will dare to give a little more? I am the great pillar for your lives, the Flame of the Heart that dazzles the darkness.

Do not fear to suffer, but fear when you cannot serve; service is in everything and God is in all service.

Look into My Eyes, because in that way I will be able to tell you where to go and to walk.

Look into My Eyes and feel the Presence of My Love, the Spirit that comforts and encourages; that heals and redeems.

Look into My Eyes when you commune with Me, so you will be one with Me and I will be One in you. Will you risk being one with Me? This is My call, My petition, and My great aspiration.

Look into My Eyes and trust Me.

And before the blessing of the sacred elements that will be part of My Body and My living Blood, I will tell you an event that took place in the sepulcher, which also helped in My restoration and Resurrection: My Mother, Mary, loved incense. She would place it in every place of the house preparing Her moment of prayer with the Father.

Incense brings the angels of God closer and this mystery was also lived with Me in the sepulcher, while Mary and the women prayed. The scent of good incense spread all over the space.

Incense represents the physical manifestation of the Spirit of God. It is a sacred element that the patriarchs and hermits would use to exorcise the evils that are gestated in this world.

But today I will bring a special blessing to those elements, on this second day, to bless you through the Spirit of My Father and prepare your consciousnesses for the moment of union with Me through Communion. Prepare for that moment.

I also wish, dear companions, that from all parts of the world you send Me your intentions and requests, so that I can bless them and respond to them, according to the Will of My Father.

Therefore, prepare a golden basket for tomorrow, so that all souls write their intentions directly and I can receive them in My Heart. Although I already know them, it is necessary for your hearts to share this gesture of love with Me, this pastoral blessing of all the intentions of My children of the world.

Do not dwell on writing down your needs. That which is simple, I will recognize as something important, because the most necessary thing, dear companions, is to express the intentions of each being with the few words that the heart radiates, in that way everything will be said.

Jesus tells us that all the brothers and sisters who are in their homes, can have in their hands a small piece of bread for the consecration. He will also bless it.
