**APPARITION OF CHRIST JESUS IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN, DURING THE 13TH MARATHON OF
DIVINE MERCY**

Friar Elías del Sagrado Corazón:

Our Lord asks those present if any of the brothers or sisters want to be baptized.

I would like to remain a long time with you, the world needs Me.

When one is baptized, the spirit of all is baptized. I will choose fifty of you to be baptized. This is the symbol and the sign of My Return.

While we sing, dear companions, I will choose them.

Know that those who are not baptized will also receive My Presence. Because I do not come here only for you, but rather for this world that suffers and endures.

You have to baptize your brothers and sisters with the love of the Holy Spirit, be a reflection of the love of the Holy Spirit.

With this simple act of love, you will baptize in spirit. This is what John the Baptist wanted to teach, beyond an act or a ritual.

What My Father teaches all the self-summoned is the Truth.

Let us thus prepare this moment in glory and love.

I will withdraw from your presence, but I will be here, accompanying you in a spirit of love. Remember that God gave Me the Grace of being omnipresent, just as I wish you to be in charity and in love.

I bless you and gather you all in My Heart. In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón:

Thank You, Lord, for all that You give us!

In this meeting, we honor You, Jesus.

I accompany you from Heaven, at this moment. Know that I am here, in this sacred moment.

I thank you!

Friar Elías del Sagrado Corazón:

This moment of the Baptism was very special, because in some way, as the Master said, we were all baptized in spirit.

In those who were specially called by Our Lord, He explained that He saw a need that these souls have. They need to heal something, free something, forgive something. That something is a task He does directly with those souls.

But we also know that He told us that the opportunity will not be lacking for others to be able to be baptized at another moment.

As you have perceived, this is something that He is teaching us to do, about which we know nothing.

We understand that He tries to teach us, to instruct us as He did in that other time also.

His cousin, John the Baptist, was who, according to Our Lord, left an important legacy through the Sacrament of Baptism.

Today, when Christ appeared in a special way, on His Breast, over His Heart, He brought a medallion, which He named and explained.

It is what He left us today in His special Message.
