Special Message of the Glorified Christ Jesus, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Listen to the Voice of My Eucharistic Heart and surrender in peace before My universal Redeeming Presence.

Allow Me to carry out the designs in each stage of your life.

Reconsider in time, for My Truth manifests before you today.

Let Me be the seed within you, which will yield the promised fruit for Adonai.

I Am the only sure shield for your small life.

If you are in Me, nobody will be able to generate fear in you, as long as your trust is greater than your own fears.

I am present in each space of your life. I have already passed by your side many times. Thus, be brave and take the risk at this time of listening to what you never wanted to see about yourself.

So that My infinite Heart may dwell in you, I must first find an orderly space, free of human ambitions and desires.

I seek only the sacred temple of simplicity and equality, so that the spirit of fellowship may finally be manifested.

Always remember who calls you. Help them and do not feel mistrust or discomfort just because somebody needs something from you.

Be like John the Apostle, faithful server, untiring and silent, open to listening to the Word of his Lord, trusting always in His Majesty and Love.

Why do I tell you these things today?

Because I know, My child, at what point you are and how many times you have stopped looking at Me.

I Am that unfathomable and divine spring that nurtures the life and spirit of each soul.

I Am the mystery of Love still to be known.

Who seeks Me, finds Me.

Who calls Me, patiently waits for the coming of their Master.

I Am the bridge that unites what is separated.

I Am that mystery that forgives and redeems the greatest sinner.

On this sacred day, when your eyes have focused on My Eucharistic Heart, I tell you that I am returning to this house. I am returning to a new Marathon of prayer so that, more than ever, you feel Me close, among you and in you; so that you feel Me living in the Communion and in the heart; so that, once and for all, you believe that I am living and omnipresent in each soul that fully surrenders into the Arms of their eternal King.

Believe, My son; believe, My daughter; I can be in you in these difficult times. Purify and redeem yourself.

Through My Love, I am close to all, because My Love, the Love of Adonai, penetrates the dimensions of your hearts. There we will be one for the whole universe.

Let this Marathon be the Marathon of joy, of renewal.

Let your hearts rejoice and be glad for being in Me, and I in you.

Accept My Will and you will not be alone.

Under the Mercy that gathers you together, be blessed.

Thank you, sacred Figueira, for receiving Me and for faithfully waiting for Me!

He Who unites you and loves you always:

Your Master, Christ Jesus

After transmitting the special Message, Christ Jesus continued transmitting the following to us:

Just as you have seen My living Heart in the Eucharist, I wish it to be alive in your hearts.

This is My principal motive, dear companions, for uniting you here again, in the name of God, in the name of His Will and of His Love.

Through the celestial imposition of My Hands, I bless you for this task and all these sacred elements you have served at My table.

For the absolution of the Holy Spirit, I renew you and bless you with the luminous sign of the cross and of your essences, in the name of the Father, the Son and the Holy Spirit.

Gladden My Heart during these days. The Celestial Kingdom must be here, as it is today with you, to help the planet.

I bless you.

Thank You, Lord, for all that You give us!
