WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear families of the whole world,

May the sacred and blessed Presence of My Son be upon you.

With the drawing near of the coming Birth of Christ within your hearts, may the families, as a primary cell of the Project of God upon the surface of the Earth, gather again in the spirit of the Birth of Jesus.

Dear families, in this sorrowful year that is ending for the world, may families renew their inner vows among their loved ones. May they avail themselves of these times of isolation to pray together, to love and recognize one another more, to revere the inner Christ that each family member carries within them, so that they can recover peace, so that peace may be present within the world.

Dear families, during the prayer of the Rosary at Christmas, pray for the divided families, pray for the impoverished families, pray for the refugee families so that, throughout all of humanity, the consciousness may awaken that family is a sacred Project of God and not an object of conflicts or disharmonies.

Dear families, I invite you to feel this call within your hearts, because the unity in the family needs to be recovered so that the great manipulator, My adversary, may be ousted and expelled from the heart of the families, which was converted into the center of the suffering of humanity.

I ask you, dear families, that your gaze and your heart may be in this inner work of reconciliation and rebuilding the family so that the Light of the Holy Spirit may be present among you.

May the Birth of Jesus in every human heart lead every member of the family to assume and live what God so expects, that it be a family of love, on the path toward inner consecration.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, the Virgin Mary, Rose of Peace
