Special Message of the Glorified Christ Jesus, transmitted at the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón, on the occasion of the anniversary of the Messages of Mercy

My wish is that in this same place and through the help and the charity of all those present and not present, the humble Auditorium of Divine Mercy may be built here.

This sacred space, here in this Marian Center, will be for souls to receive the Graces that their hearts need, for the Auditorium of Mercy will be the manifested temple of prayer for each being.

If before the coming year 2016, you fulfill this request, I promise to return, in Grace and in Pity, for a while more and all lives will receive the necessary help so as to be able to go through the portal of the planetary transition, because together with the Home of Adoration, the Auditorium of Mercy will be the refuge for the rescue of lost souls.

This place will be used for the sacred meetings of prayer and light, of renewal and healing, during the time of the great tribulation.

I thank you for responding to the call and to the request of the Divine Messengers.
