APPARITION OF THE GLORIFIED CHRIST JESUS IN ASUNCION, PARAGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN, DURING THE 15TH MARATHON OF DIVINE MERCY

Friar Elías del Sagrado Corazón reads the special Message of Christ Jesus of [October 5, 2014](#), and says:

With these words, we will wait for the coming of Christ. Let us focus our hearts on these remaining beads, allowing the Celestial Universe to concretize Its mission here, in Paraguay.

I am telling you about the events of My Passion as nobody has ever spoken about them before.

In My merciful Heart, are kept not only the signs for your salvation, but also the true mysteries that God made known to me during My agony.

I show you and tell you about My Passion so that you may find the path to your strength. Many forget about this important universal event that was lived by Me here on Earth, and more importantly, many more forget about wanting to know this very true and deep Passion that allowed the redemption of humanity.

In the Universe of God, the Passion is alive and resplendent, for there, the pain and the suffering are not held, but rather the true sacrifice of Love that I gave, for all of you, in those times.

Today I come to remind you of these things in light of the severe issues that are taking place in this world. I want you, My companions, to be able to penetrate the mystery of My Passion through My Heart. The Rosary of the Seven Agonies, which I gave you, holds true keys for your redemption, significant symbols, luminous signs, for those that truly want to discover My Passion.

I do not come in this era so that you may be martyred. I come to give you the Truth, the true knowledge of that which many forget. For this reason, My companions, enter the universe of My Heart and dwell in My Heart. I will be able to resolve the rest when you liberate yourselves from the control of things.

The true spiritual healing, which I promise you through My Mercy, can happen in you through an inner detachment from all that is bad for you in this life, in which you went through many learnings and tests.

Thus, open your hearts again. Allow My Blood to be able to flow through you, wash, cleanse, and purify all the stains that you hold before the Eyes of God.

I give you the possibility of coming to know My Mercy and the chance for loving, through My Presence at three in the afternoon. To that soul who invokes Me in any part of the world, I will go to aid it, most especially I will bless it, because I will be performing a true miracle of Love in its life. One who believes in Me will achieve eternal life and it will not be necessary to wait for the next world to be within My Celestial Universe.

I reveal to you, through merciful prayer, the potential to attain redemption and peace, for your hearts must be increasingly open to be able to love the infinite mystery that My Life represents for you, in these times.

At this very moment, I come here to bless , heal and forgive you. I come from a distant place of the universe where God vibrates intensely through His Love and His Unity, and many celestial consciousnesses participate in that vibration of Love and of Peace.

Thus, dear companions, today I ask you to elevate your bodies and cells, and permit the rays of My Passion, which allowed the Resurrection of My Being and the sacred Transfiguration, to penetrate the depths of your cells.

The first step, My friends, is to love the unknown, to have absolute trust in God the Father, because He will always give you the answers to the great problems you experience today.

Many more souls could have participated in this meeting with Me here, but where are they? Did you call them correctly?

The first call to awakening is done through the giving of the heart. It is the heart that calls another heart, not the mind. Thus, help Me to concretize My Plans, as I did in Rwanda when I gave an important message to the world and only fifty percent of humanity heard Me.

Now I come closer to you, I approach your lives and hearts so that you may be My testimonies. Give the example of your redemption to the other brothers and sisters. I come seeking you as I did with the apostles. You will not be able to escape My universal commitment, but you will always be free to follow the path you desire, My love will never disappoint you.

I bring you a possibility, My companions, of finding a change. Open the doors of the spiritual universe so that it may reside in you all the time. I point out a last path to you. I bring you a last key, I give you the last symbol, which is My Heart of Light.

The strength of My Spirit of Love must be stronger than your intentions. In this way, My friends, I will find a space to be in you and I will never waste time as I reveal My Will to you and you may know My profound petition for these end times.

I ask something from each one of you so that you may accomplish it in the name of God. And when this mission comes to an end, I will have you come to know other things in the next life, in a next world, where suffering will no longer exist, and hearts will not suffer, they will no longer need to suffer to learn to grow. I bring you the opportunity that, every day of your lives, you may be willing to drink of My Fount of Love so that your sins may be erased, and in these times, the cells of light may be born in your beings, so that the New Christs awaken that must fulfill the mission of disseminating My Peace and My Redemption in the four corners of the Earth.

But who will be willing to follow Me until the end?

I will always give you a greater test so that you may overcome it and transcend it, but My Hands are stretched out to you; I will never stop helping you, I will always pour My Light upon you and upon those that open to receive Me.

I give you, I gift you My Heart as the only reason for your lives, because through My Heart and around My Heart all My disciples will be able to fulfill the Designs of God and carry out the life works that are foreseen in Heaven for them to be manifested on Earth.

Today I come to meet with you so that you feel motivated to give Me more, without fear, without apprehension, in absolute trust.

Hold My Love in your hearts, keep My Peace.

I thank those that feel motivated to accompany the pilgrimage of Mary through Paraguay, for the Children of Mary are indispensable in these times. They are sparks of the Celestial Universe that expand and radiate the Grace of the Universal Mother in each place they go, in each space where they walk, in each heart they face for consoling it, alleviating it, healing it through prayer of the heart.

Under the ministry of Peace that God has granted Me and the protection of the Holy Spirit, at this moment, I will bless the Sacred Body of Christ and the Precious Blood of Jesus, and all the sacred objects that in any place in the world are elevated to My Heart at this moment. Because what is most important for your lives is that through the symbols, you always find a path for the way out and for salvation.

In this moment, offer Me that which you want Me to consecrate, from where you are. My energy expands in Omnipresence, Love, and Mercy. Let us elevate this offering to God for those who forget to live in God and do not find consolation in this time.

Friar Elías del Sagrado Corazón:

*We adore You, O Christ, and we bless You,
for by Your Holy Cross, You redeemed the world.*

Amen.

Friar Elías del Sagrado Corazón elevates the offerings to be blessed and says:

*For the sick,
for humanity,
for the innocent souls that die,
for all those who are seekers of peace,
for those who pray,
for the religious,
for those who seek subtle aromas,
for those who have not been redeemed,
for the mothers of all the Earth.*

At the request of Our Lord, we will pray the prayer of the Angel of Peace together with Jesus.

My last Will, beloved companions, is that together with My Angelic Guardians, we pray, sing for all the Guardian Angels that cannot fulfill their mission, that cannot reach souls because the souls do not hear the inner call. In profound Adoration of God, let us help the Guardian Angels so that they may accomplish their purpose in this end time.

Let us repeat:

Holy, Holy, Holy is the Lord of Hosts.

Holy, Holy, Holy is the Lord of Hosts.

Holy, Holy, Holy is the Lord of Hosts.

Now let Adonai touch your hearts.

I bless Paraguay for this moment and all the souls that made it possible for My request to be fulfilled. God will bless you.

Song: Kodoish.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón:

With this joy Christ leaves us with for being able to meet Him, we are closing this Marathon which was so important here, in Asunción, in Paraguay. We believe that many souls were helped by the Mercy of Jesus.

We thank you all for this moment, all those who were connected with Our Lord.
