WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

May the suffering of the serving hearts of My Son be placated.

May the transitory experience of this planetary moment be offered beyond its repercussion so that the Eternal Father receives it as justification and atonement for all the mistakes made up to the present by this suffering humanity.

This is the time of the victim souls of My Son; it is the time to offer yourself to mend the injustice that embraces the hearts of all humanity.

I am by the side of every servant of Christ who lives, like the rest of the world, the experience of being in chaos.

This is the long-awaited hour of tribulation for all, but it is also the time to bring out the talents of holiness that My Son placed in you long ago.

I know that you have never been through something like this as humanity, but you must remember that, as essences, you were waiting for this moment to arrive in order to serve unconditionally so that My Son's Redemptive Plan may be fulfilled.

I ask you, My children, not to abandon the cross of this time, because at the end of the path of this world calvary, you will meet My Son and He will free you from this situation forever.

Only that for each child of Mine the time has come to go through their test of Christic love so that at last the consciousness is confirmed to the Plan and the Will of the Lord.

This is an unknown time, permeated with signs that, no matter what, will lead towards the change of consciousness through that which is unpredictable.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
