APPARITION OF THE GLORIFIED CHRIST JESUS DURING THE SACRED WEEK, DAY 2, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My silence conveys many things. Blessed are those who commune with Me, for they will never regret it. They will be witnesses for the times to come. Thus God has determined it.

Today I bring to you all My agonizing Consciousness of the Gethsemane, for there I lived many things for all and I never regretted living all that the Father gave Me. All this has allowed, companions, that all of you are here today through the agony in Gethsemane. And many souls, too, who are not on this plane with you, but who are attentive to the voice of My call that gathers and unites them in this time of redemption.

Today I am accompanied by James and John, guardians of your work, who silently follow your footsteps. Today I hand you over as guardians of this magnificent Work which is built by the very hands of the Creator, through the intercession of the Sacred Hearts.

Feel the Garden of Gethsemane as a moment of sacrifice. There the Son of God began to overcome death. And through the redemption of all that is impure and sinful, He reached the way of Resurrection.

In the Garden of Gethsemane, My silence engraved the Purpose of God for the world. That was the great moment, companions, when the first sword of betrayal and denial of the world pierced the Spirit of My Heart. There I lived the first sign for all of you, for all generations to come after Me.

And so, through My sacrifice and by drinking from that spiritual Chalice, many of My disciples awoke throughout the ages. And today I unite you again in the essence of the Heart, in the purpose of Love and Truth, which is built by the effort of all, of those whom I call persevering, who follow My ways by releasing their reins, walking steadily through the place I indicate to them, which is the mountain of Christification.

Many will remember that I have been here in these years, because through the word, inner evangelization, example and life they are redeemed, and they will be able to profess that I was here. First in Spirit, in order to be able to then give them My Essence and thus prepare them for the end of times.

Woe to those who are no longer with Me! My silent Heart contemplates them and the angelic armies pray for all of them, so that they may one day resurrect in spirit from the dead life they lead.

When I am here, the whole Universe is congregated. Blessed are those who participate in the Major Laws, even if they do not understand them, through My Presence and your absolute belief that I am here, in divine and glorified Spirit, everything can be fulfilled in the spirits that open to receive My call, with reverence and love, with simplicity and humility; something that I need you to learn to live even if you do not know it. Live My words and thus you will reach it.

Today you represent before My Thrones the Sacred Supper. What will this mean for your lives and families and especially for those who deny the Son of God? Yet many turn a deaf ear and do not listen to the Heavenly Messenger.

This offer that you make to Me here today, which you have dedicated with love, devotion and contemplation to My merciful Heart, My Spirit receives it with immense gratitude and truth; for through simple but true things, the Light of the Creator is manifested, that which consolidates His Will.

For one more year, but as in other times, I come to celebrate the Last Supper. Blessed are those who prostrate themselves at My Feet to receive My ministry.

"Holy Father".

It is not to be repeated. Listen and feel, for that is what I need. I am passing here for the last time in this final time, before everything is unleashed like a thousand horses without reins.

"Holy Father, who conceives life and spirit in all souls, receive this sacrifice from Your children which is instituted by bread and wine, precious ministry which You have bequeathed to humanity, through the Sacred Heart of Your Son, recalling the precious ministry of the Last Supper, where many inner lights were ignited and fallen souls rose to the Thrones of Heaven to glorify and honor You.

Receive, Beloved Father, this offertory which is the deep emanation of good hearts.

Thus, Adonai, establish once again, Your Sacred Spirit upon humanity.

I implore You, Holy Father, to close the doors of evil.

That is why this afternoon I give You My Blood, My Body and My Divinity so that many more souls may be freed from the constant persecution and deceit in which they live.

Thus I will be able to institute, through Your Sacred Spirit, the beginning and the end of Your Heavenly Kingdom, where the angels and archangels will gather the good news, the deep gifts of Your Spirit, which will be manifested in the life of all beings.

And thus, Beloved Father, the Project that You have written from the beginning will be fulfilled.

Listen to the Voice of Your faithful Servant, of the profound incarnation of Your manifested Love, of the Supreme Wisdom in this material life.

Receive in Your Kingdom the donation of all the stars and glimpse, Beloved Lord, in the horizons of all planets, the bright spheres of redemption, which were placed by the angels of Heaven from the moment of My glorification.

Beloved Father, receive Your Divinity, which is the Divinity of Your Son. Receive Your Love, which is the Love of Your manifested Son.

Receive all the gifts and charities, which are given by good souls.

Receive Adonai in the simple hearts, so that Your Sacred Kingdom may awaken again in all humanity, but more in those who need the breath of Your Spirit to resurrect again."

So be it. Amen.

This afternoon we celebrate the Mercy of God. And on this second day I give you the second key, which I deposited in your consciousnesses through My sacred Words, filled with the Love of the Creator and deeply filled with the humility of the Universe.

Receive it with gratitude, and thank God for this meeting which will be marked in your memories.

This will help you to pass through your purification when it comes to knock on your doors. But you should not fear. The one who trusts in My Mercy will prevail, but will be stronger when united to their brother and sister, and in the deep unity of the Spirit share the transformation as a sacrifice and surrender to God.

Let us celebrate, beloved companions, the institution for the world, of My sacred Body and My precious Blood.

Renew your vows and confirm yourselves before the Thrones of Light, for on this sacred afternoon, the angels are writing the new history in some souls.

Let us cry out for Adonai, for He is present through My Spirit.

Prepare the Sacraments.

Prepare the wine for consecration. From this fruit new beings are born on Earth.

Blessed are those who receive communion in reverence and love, for they will always receive the greater part of the Kingdom of My Father.

Let us pray, at the request of our Lord, the prayer of the Angel of Portugal:

Most Holy Trinity

Father, Son and Holy Spirit

I adore You deeply and I offer You

the most precious Body, Blood, Soul and Divinity

of Jesus Christ, present in all the tabernacles of the Earth.

And in reparation for the outrages, sacrileges and indifferences
with which He is offended

and by the infinite merits of His Most Holy Heart

and of the Immaculate Heart of Mary

I ask you for the conversion of poor sinners.

Amen.

We hear three bells.

This is the fruit of the work of very few, so that the majority can make use of it.

Blessed are those who drink My Blood, so that they may be transfigured by the Light of My Heart.

Most Holy Trinity
Father, Son and Holy Spirit
I adore You deeply and I offer You
the most precious Body, Blood, Soul and Divinity
of Jesus Christ, present in all the tabernacles of the Earth.

And in reparation for the outrages, sacrileges and indifferences
with which He is offended
and by the infinite merits of His Most Holy Heart
and of the Immaculate Heart of Mary
I ask you for the conversion of poor sinners.

Amen.

And thus, you too, consecrated by My Spirit, should give the example of what you received,
because many behind you are waiting for this sacred opportunity.

Your confirmation and decision will allow those behind you to receive this Grace.

Go in peace, My soldiers, affirming your inner apostles.

In the name of the Father, the Son and the Holy Spirit. Amen.

Three bells.

Let us sing "Adonai, Espíritu Santo" (Adonai, Holy Spirit) to say farewell to Christ.
