**APPARITION OF THE GLORIFIED CHRIST JESUS DURING THE SACRED WEEK, DAY 1, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

On this afternoon of Mercy, I come with the burning desire to meet you once again, because there are still many souls in the world that do not want to see Me.

That is why today and during this week, I invite you to remember My Sacrifice, so that you may also experience it for those souls who deny God.

There are still many consciousnesses submerged in materialism. But My Mercy still comes to the world so as to be able to save you. And in My total trust, I will continue forward through you, so that My plans of redemption may be fulfilled.

I would like your hearts to be very close to Mine, for I need to hear the beat of your essences, because this week will not be like the previous one, the one I experienced with you last year.

The times have changed a lot, My companions, and few perceive the changes that have occurred in humanity. That is why today I show you My Heart, which perpetually pours out Blood and Water.

My Heart is full of Mercy for all, but very few have come to drink from this Fount of Graces for fear of sin, of error or of a mistake. Dear companions, My Mercy does not see these things, but rather the spirit of your perseverance.

At the beginning of this meeting, I sent you a message of peace from the higher spheres of consciousness, so that you would be able to unite with these creator principles.

But today I also want to tell you, My companions, that your Father, the archangel Michael, accompanying me in presence and omnipresence, expects to descend upon this sacred ground of Aurora through the manifestation of the sacred hermitage. Much time has gone by since I made the request to you, My friends. Many souls in the invisible worlds wait to pass through this portal. And this will be possible through your collaboration.

You will know, My friends, that Heaven has many needs with regard to this humanity. And in the same way that We, the Divine Messengers, ask for many things, humanity also asks us for many things.

Grace is reciprocal. Therefore, My companions, let us start working, because the archangel Michael hopes to descend and bring His glory to this place. A Glory that will be radiated to the world, principally to those hearts that need to be exorcized.

Continue to pray for this holy cause. The Creator Father will thank you. Continue to evoke His Holy Name in your hearts, for thus you will also be calling for My Universal Grace.

The archangel Michael and I are but one. He was the great Messenger of God for those past times, when He helped Me to carry the cross of this humanity.

But He comes now to your aid, luminous and winged, to bring His liberation to humanity, which souls have been awaiting for a long time.

In this Sacred Week, companions, I wish for you to relive My Passion, as you did the previous year. But at this time, in this Sacred Week, your hearts should already be mature, for in this cycle, I need to gather up all the talents that I placed in you, for the planetary emergency is very great and souls ask for help and liberation, and it will be through your hearts, through your inner instruments, which are souls praising God, where I will be able to carry out My tasks and reach inhospitable places, where not even light or love exist.

Repeat your pleas and inner intentions to My glorified Heart, because My Heart is open to welcome your requests. Because during this Sacred Week, I will be working with each one of you. I will try to show you the signs I need you to see, so that your spirits and consciousnesses may mature.

I deeply rejoice to meet with you again, because this Sacred Week is special for the world, especially for those who do not receive anything. For this reason, I am summoning all servers, so that they take the risk of coming here and sharing with Me the emanation of the Love of My Heart that is necessary for the world and for large parts of this humanity, who can no longer bear it, who need My Mercy through your mediating spirits.

I bring you the final summons so that you, now and always, may be My apostles. Live My message in practice and in life, live My teachings above all things, for you are already prepared, My companions, just as I prepared many spirits throughout the world, who always feel Me in their hearts and respond to My celestial commands, serving the neediest and most deprived souls, listening to the poorest and dying hearts. And mainly, carrying the Light and My Love.

Be still, for My energy is working in you.

This is one of the last Graces that I pour out upon the world, before My Return to the Earth. Therefore, keep each code of Light that I place in you.

Remember the words that I dictated at the beginning of this meeting.

Live My Message, live My Message and be My Message for all.

Feel My Heart, which draws close to your spirits.

Feel the rejoicing of My Love.

Come into My Lap of Light, because there, all will always be well.

Forget what happened. Live the eternal present with Me; in this way, you will receive what Heaven wants to pour out through My Heart.

I only need you near Me, so that you may feel My Hope and My Encouragement.

I come here for all, principally for those who are no longer here, whom I wait, in infinite patience, that they one day return to My Arms, in spite of the paths they have chosen for their lives.

I summon all the sheep to become a part of this great flock of universal light, of these deep nuclei of light that your inner consciousness experiences, for it is time to awaken. Your deep consciousness is

calling you so that you really live what you have come to live in the name of the Lord. The world needs it and many souls also expect it.

The Plan will also be accomplished through all the servers. Everything is united to the same thread of light, from the Earth toward the Universe, beyond this material Universe.

Always summon your Eternal Father. He will be the strength that will move you, transform you and purify you.

My Heart will be your refuge. Thus, the time has come for you to be prepared and to not waste time on superficial things.

Reaffirm your vow of commitment with Me, for I wait every day, within the great universal silence in which I live, that each soul of this Earth may hear My last call, for I am fulfilling the promise to return, first from spirit, to then manifest in Glory for the whole of humanity.

But I need faithful witnesses who can give the example of what they have experienced and who are also able to wait for Me when the great hour for humanity approaches. That will be the moment, companions, in which all will be fulfilled, as it was written in the beginning.

You are a part of a universal story that is being written in the books of the Creator. You must be the pens in the hands of God, so that He may write His Will through your lives.

I invite you, companions, to the consecration of the sacred elements, which for you will be the Body and Blood of your beloved Redeemer.

From the earth comes the wheat, the product of the work of humankind. From this wheat, flour is born so that the bread of life may emerge for humanity. Through this example, companions, I invite you to remember your origins, for you must return to the beginning of everything. Just as you arose from the Whole, you soon will return to the Whole, because there you will merge with the Essence of God.

At that time, when I was present with you, celebrating My last supper, this same bread that is in front of Me was upon the table, being offered to the Creator as the glorified Body of Christ, Who would be mutilated, martyred, flagellated and wounded for the releasing of the sins of souls.

To your memories, and principally for your cells, may this sanctified Body represent the constant search for union with My Spirit, with My Divinity and with My Glorification.

Receive at this time the Rays of My Light.

The grape is also a product of the earth and the work of humankind. But through this example, I give you to drink of the renewal, the transfiguration, of the transubstantiation of the impure particles that are part of this planetary consciousness.

At that time, when I was sitting at the table with those of Mine and with many of you as souls in glory and in praise, I gave everyone to drink of the perfect code of My Blood, in which no impurity exists, but rather the maximum expression of the Love that was shed by Me during the flagellation, the Calvary and the cross.

---

Receive on this afternoon the Rays of My infinite Mercy and remember to drink of this Blood with reverence and love, for it will always renew, transmute, and free you, as long as you remember that I am present in all that is created.

Let us pray like on the Mount of Beatitudes.

Prayer: Our Father, in Aramaic.

And through the water that will wash your feet, the symbol of purification is found, where the wounds, sins, and errors are washed by the chastity that the water itself represents.

When you receive this blessing, remember that you are being released from the ties. Because water holds the code of original purity, of what existed in the beginning in the Genesis, which sanctifies souls, purifies them and also renews them, under the Holy Spirit of God.

Bring me the water here.

Prayer:

---

O! Blood of Christ,  
poured over the world,  
purify our souls,  
relieve our hearts,  
Have pity on us, Lord.

Amen.

---

The women from Bethany prepared the wells of light so that the codes of God could be poured out and the sick could be healed by the baptism that I granted after John, My beloved brother.

Remember the wells of Bethany and Samaria. There, when I went by, I left a fundamental principle for the world: the renewal of the Sacrament of Baptism and of Faith for all the souls who had faith in the Son of God, in spite of not knowing Him, nor truly knowing who He was or from where He was coming. Faith heals souls and brings them the hope to be able to continue onward.

So on this afternoon of Mercy, I bless this sacrament, this chaste and pure water, so that it may serve as healing for souls and as liberation from the sins of the world.

In the name of the Father, the Son and the Holy Spirit. Amen.

*At the request of Our Lord, we will listen to the Our Father in Latin.*

*For those who are able, kneel to receive the blessing of Our Lord on this first day.*

*Song: Paternoster*

Under the blessing of the celestial spheres, remember that on this day and for the days that will come, I will be congregating you in the Spirit of My Love, that you may be motivated to continue

onward. And in spite of the consequences, see the Light of My Presence on the horizon, which will always be present within you.

I send My embrace of light to Mother Maria Shimani and to Sister Lucía, for during this Sacred Week they will be present in My Heart.

I thank you for being with Me today!

Create bridges of light during these days, thus I will be able to help you and give you the essence of My Love.

Go in peace.

In the name of the Father, the Son and the Holy Spirit. Amen.
