WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

I know that sometimes you are tired of continuing forward, but I ask you not to stop, because the great moment of humanity has not come yet, and it is now when you, out of love and service for My beloved Son, must make the greatest effort, the effort that you still have not yet made.

This is the time of that which is unpredictable. Therefore, beloved children, may the breath of the Holy Spirit illuminate you and give you the resistance and the strength you need to be able to go through your Christic test of love.

Just as My Son became absolutely alone and abandoned in His human state on the Cross, now, dear children, your human state will remain alone in order to learn to trust in what the Celestial Father needs for you to trust.

I make you awaken a spirit of bravery, but I also impel you to awaken gratitude.

This is the expected moment for you to live what you have heard from Us, for so many years, with so much dedication and offering, from the Sacred Hearts of Jesus, Mary and Saint Joseph.

There Will be no other path or way to go through this crucial moment of the planet, you must just be the testimonial of conversion and of an achieved inner redemption.

What are you waiting for?

This is the time of the last apostles of My Son, it is the time to close a cycle of sufferings to begin a cycle of renewed hope, which will be concretized with effort, love and much dedication.

The end of this planetary calvary will depend upon your surrender and your union with God.

The Celestial Universe has everything to be able to help you, you must look to the sky and ask, not with obsession, but rather with austerity and human fraternity.

I pray day and night for you.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
