Last weekly Message of the Glorified Christ Jesus, transmitted at the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

I Am the Light that exists in places and worlds where there is no Light. I Am the Morning Star of the universe that dispels the gloom.

I Am the One Who brings with Him the essence of Life and Truth, and I hope that all of Mine will one day become that very Light, which defeats evil and awakens the Mercy of God in the world.

While the time of the universe announces new profound changes, We the Divine Messengers are preparing to gather Our Hearts in the Great Heart of God.

But in essence and in pure spirit, We will be with humanity until the end, waiting for the designated moment to help in the redemption of the last souls on the face of the Earth.

While that moment has yet to take place, make good spiritual decisions in your lives, in this way, you will be truly ready and sincere to face the Plans of God, because then, His Higher Source will be able to trust in you until the end.

Your hearts hold the potential for experiencing an unlimited transformation, capable of transcending inner and outer barriers and difficulties.

Through these last times, I have given you the possibility of knowing the path of love and forgiveness, something that must be practiced when the moment of the tribulation emerges throughout all humanity.

Everybody, in due time, will be witnesses to My Presence and My return to the heart of the simplest and the greatest sinners. At that time, you will be the testimony for many, for a great opportunity of pity and Mercy.

But all of this cannot be left behind, forgotten, when the time of giving your own life out of love approaches.

At that moment, I will be by your side to encourage you, in absolute trust, to take the great step for the salvation of this lost world.

Your support will be My hope, your joy will be the power of My consolation, your fortitude will be the gift of My faith, your immediate step will be to die for Me and for your brothers and sisters.

When this time comes for everybody, each being will be able to understand and clearly know how much they have worked by My side, and how much they have, without fear, given to Me, so that I could transform their being.

The times are indicating a different moment.

Your attention and silence can be the precise keys for understanding the final signs that the universe will send.

May your thirst to experience Me never end.

Let the renewing love that I offer you at each meeting be the definitive mark that will remain engraved forever so that in the great moment of My return I am able to recognize you as My apostles rather than My executioners.

Love the Law of God, even though you do not understand it; this will protect you from yourselves.

My Rays are poured out upon the just.

In the Peace of the New Time

Jesus Christ, Solar King
