APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN, DURING THE VIGIL OF PRAYER FOR PEACE IN THE NATIONS

I am here with you, dear children, because I want to be with the nations of the world, especially with those who have not consecrated themselves to My Immaculate Heart.

Each prayer uttered has an incalculable value for Me, and has a greater value when said from the heart.

In this way, I demonstrate to you, dear children, the transforming power in all things, and in what seems most impossible in your lives or in any place in the world, for when your hearts open to prayer, My Divine Consciousness can act and assist all My children, especially those who are most lost through the temptations of material life.

In May I will re-consecrate Europe to My Immaculate Heart and I will extend that consecration to Russia, thus fulfilling what I have requested, in the previous century, of the shepherds of Fatima. I do not want the third secret of Fatima to be fulfilled, but rather that the world should respond to this summons of love for the redemption of humanity.

My wish is that your consciousnesses, on the 13th of May, enter My portals of light, regardless of where you are, so that you commit to accompany your Heavenly Mother in this planetary task that will take place in Fatima, with all the faithful that will be there, together with your Heavenly Mother, to commemorate the triumph of Her Immaculate Heart.

I want you to prepare your homes, as well as your groups of prayer, embellishing each place with the presence of Our Lady of the Most Holy Rosary.

May is the month of Her consecration and the opportunity for taking a great step on behalf of this humanity and this planet in light of so much aggression, assaults, and indifference that the souls of the world commit, without any awareness or reasoning.

I invite you to be with Me, dear children, in the concretization of this Sacred Pilgrimage for Peace. I trust that you, My children of the world, will again take that step of helping your Celestial Mother so that the doors of Grace not only continue to open here in this place, but also in the whole world, this time in Europe.

Greece needs celestial intercession, the Grace and the Mercy of God, through His Divine Messengers. There is a great wound that must be healed in Athens, through the souls that take refuge, escaping from the horror and terror.

You do not know, dear children, what it means for your Celestial Mother to observe and contemplate Her refugee children in a sea of despair and of interminable suffering.

You, who are a part of the consciousness of this nation consecrated to My Immaculate Heart and who live in My Heart day after day, I invite you, dear children, as well as My children of the rest of

the nations of the world, especially My children of Europe, to take this great step for Me, helping your Celestial Mother in this co-redemptive mission before the coming of Christ.

Thus, graces, many more graces and mercies, will be poured out during the Sacred Week, so that all the hearts of the world, especially the groups of prayer, may take that great step so that this Work, this Pilgrimage for Peace on the European continent may embrace more nations of the world, more nations than those I will visit together with My Son and with Saint Joseph.

In this way, I demonstrate to you, dear children, that a sacred task is thought by God, in this important centenary in which Fatima will re-open its doors so that your Celestial Mother may descend, as occurred on the last May 13.

Since May of 2016, I have been preparing this meeting, I have been preparing the essences that will need this universal impulse that the Center of Fatima will give to the world. Thus, see, dear children, how many months of work your Celestial Mother has been undertaking on this path to be able to propagate faith, renewal, and trust in God for these end times.

I would like your inner eyes to open to this mystery that I bring you today, of helping to concretize the Plan of God on Earth, so that all the angelic and archangelic armies may descend, next May 13 upon Fatima, to bring about the closing of a great planetary wound generated by humanity.

That is why I am here among you, as I am also in Medjugorje, announcing Myself as the Queen of Peace, so that hearts may perceive, in the depths of your souls, that the mission with all My children of the world has not ended.

I come to withdraw souls from the claws of evil. That is why I still need to be on pilgrimage in the nations of the world so that the balance of the planet not be lost through any consequence generated in these times, which are so difficult and of great learning for all.

I invite you to again go over this Message of Mine today through its dissemination in all the places of the world that accept receiving this call that goes out to all hearts, to all souls that experience devotion for My Immaculate Heart.

In Fatima, I will be among the most simple. And although the majority does not know that I will be there as I was in 1917, I will be with My Divine Consciousness expanded, pouring out great flows of Grace and of Love that may be able to transform the corrupt essences of the world, which were deceived by My great adversary.

Again, as in 1917, the Lady of the Most Holy Rosary, Mother of the Sun and Mother of the World, with Her right Hand will take up the Scepter of God to strike it on the Earth and open the founts of the great Original Purity, where all the spirits that will be congregated there will receive an atonement that will help them throughout this twenty-first century and until My Son returns to the world.

Do you understand, dear children, the importance of concretizing this Pilgrimage for Peace?

I not only come to have you live the good in your material life, but also the good in your spiritual life. I come to open the fount of gifting and of divine providence that is held in the hearts and in many pockets of the world.

I want you to have pity on your peers, so that you may learn to have pity on the planet that suffers, day after day, in its deepest silence because of all the errors humanity commits.

In Italy, My Consciousness will visit the Church of My Son, in its spiritual as well as human context. Because all are being tested, dear children; that is why My beloved Son sends Me to re-consecrate Italy, and Rome, to My Immaculate Heart.

It will be a challenging task, but it will bear fruit in the following months through the groups of prayer that can be found there. Italy, in spite of its errors, was always sanctified by God, through the presence of great sages, of great teachers, of those so-called saints of the period. Thus, Saint Pío of Pietrelcina will be My faithful companion in this sacred task with Italy.

Spain needs My help again because many hearts are extinguishing their inner faith in the Kingdom of God, because of the superficial things they experience in the very Church of My Son.

So this time, in Spain, I will go for all the priests, so that they may spiritually reactivate the charisma of faith and of love for the great Plan of God and for all the souls that are to be found there.

In Avila it will be an opportunity for the souls of Spain to remember the surrender of My beloved daughter Teresa of Jesus. It will also be an opportunity for taking a step for all of the Iberian Peninsula.

Barcelona will be the great moment of rehabilitation for everyone, because in Montserrat and through the Black Madonna of Montserrat, souls will be able to find everything they have always sought within themselves, which I call "Gifts of God," so that souls may convert into great servers of the Plan.

All graces, dear children, will be poured out in these nations and it will be the preparation for My next visit to Asia and Oceania. Thus, I invite you to pray from now on, because these souls, in essence, have never known Me.

I will give you the gift of tongues so that you will be able to communicate heart to heart and through example, service and love, between you and the souls of Asia and Oceania.

In this way, you will also be able to see, dear children, how today My Immaculate Heart is showing you the Will of God which is accomplished through the offering of all of you.

If this does not exist, the work of God cannot descend to the planet and the horrors in the world will multiply, the nations will lose their peace, just as many nations of the Middle East are losing it. The blood is still flowing through the countries of the Middle East.

The Mother of the Thousand Veils is silently walking there, to rescue those who suffer, especially those who die unjustly, day after day, without being able to find peace, relief, or reconciliation.

You, dear children, and the groups of prayer are part of a planetary work. You are no longer just a community or souls that live the good; you are part of a Divine Plan that waits to be etched in your hearts, so that it may reach more consciousnesses that are so in need of it and have waited for it for decades.

After Fatima, in 1917, I come to bring continuity to the work in South America, so that souls may find the path to the New Humanity.

Beloved children, together with the angels of Divine Justice that support the scales of imbalance, through My maternal Love that can do all things, I leave you this reflection and this Message, with the aspiration that today you leave here, meditating deeply on My Words and praying for everything to be carried out, just as I have pleaded for it to the Celestial Father.

I want you to remember this Message and that you look at it as many times as necessary, because in it I have left examples of what My Celestial Consciousness does today, together with My beloved Son Jesus and My husband Saint Joseph.

Tomorrow I will see you more prepared and determined to take that step in the inner evolution of all your consciousnesses, so that in this way, the thousand years of peace may be established.

I now rise to Heaven, making My Words resound in your hearts, so that your minds not think, but rather your hearts open to take in My Plea.

Bringing My Hands together in prayer, taking up the Holy Rosary that unites the continents and the nations, and today unites this Marian Center with the Marian Center of Fatima, I ask you, dear children, to have mercy on those who suffer in these times.

You will now intone a song that will bring you into contact with your essential purity. Let this song also be in the children of Mine who will receive this Message, in order to disseminate it through the world. I am speaking of the song "Purity, Soul of Lys".

I thank you and bless you under the Christic Light of My Son and of all the angels.

In the name of the Father, the Son and the Holy Spirit. Amen.

Go in peace.
