**Weekly Message of the Glorified Christ Jesus, transmitted in the city of Asunción, Paraguay, to the visionary Friar Elias del Sagrado Corazón**

May your feet walk towards Me, for the journey will still be long and deep, and many will be called by My Heart to imitate My sacred Passion.

On a Friday like this, I was on the Cross, giving Myself entirely to the world, saving many lost souls, igniting many hearts, and resurrecting many who had died.

The tombs opened in Jerusalem and many bore testimony to My Resurrection, for My Divine Spirit, which is not of this world, awakened all those who should live in God.

Sacred cosmic crosses expanded upon the world and re-established the Plan of God, even though I was on the Cross.

I did many things for you and all humanity.

Those who opened their hearts to My Call were partakers of My precious Blood, received My codes and My Water sprang and expanded throughout the world as a great spiritual fountain of salvation.

All those who were fallen at that time were raised by Me, they were resurrected in the Spirit of God, found the path of their evolution and awakening. And now in these final times, I remind you again of My sacred Passion on the Cross, because this will be the key that will protect you, that will keep you free from yourselves, and all corrupt codes will be transformed into a source of Life and Grace. I have the power to transform you.

I ask those who listen to Me and follow Me to no longer close their hearts. I am trying to enter more and more into your lives.

There is no more time, My companions. The time of tribulation is approaching humanity. Darkness will emerge from the surface of the planet and many will have to be prepared before My Return.

I need you to define yourselves as My apostles and to risk giving more, each day more until it hurts your bones. That will be the confirmation for Me, that I will be able to fulfill My Divine Plan within you and that My words have not been in vain in these times, because they will have been heard by open hearts.

I need you to be awake and available, to help Me sustain the sword of My Mercy, for many are still tied to this material world, especially those who believe that they live the spiritual life.

My Truth is revealed to you tonight, but many should have been present here. The apostles reach the end of the path and, if it is necessary, they give their lives for others.

I come to give you the true testimony of life, the essence of My merciful and deep Love. My Christic cells must find a place to rest so that everything can be fulfilled as it is foreseen.

Today My Voice echoes on the four corners of the Earth. The angels of the Father send impulses of Light to all monads, to those who want to awaken to spiritual life.

Dear companions, these are no longer times of living in average terms, define yourselves deeply for My Plan. You have always been free from the beginning of your birth. Tonight I need many to fulfill the vows that I come to present to you and to respect the path that many have decided to follow, to follow the great Master of Love, the Redeeming Master, the Master of Peace.

Be consistent with Me. Tonight I present to you all the sources of My Mercy so that you may be strong until the end. Do not allow yourselves to fall further. Rise from where you have fallen, you already have the instruments to do so. My Father will take care of all this and He will ask you what you have done with what He gave you.

Therefore, as His faithful Messenger, I come to announce to you this last Call.

I ask that all prayer groups unite with the proposal of the Divine Plan. I ask you that there be no more indifference, comments, or vain ideas; you will be weakening the Plan of God.

Therefore, I need you transparent and true, that will be the sign that will allow Me to transform you.

The times are not like those of yesterday. The world is developing wrongly, and many do not perceive this severity. Behind all this, there are many who suffer, who endure pain, are forgotten and nobody remembers them. But I shall never leave them alone. My Heart visits all those who invoke Me, visits all the homes of the world that open the right door of the heart so that I can enter and work.

In these end times, the Divine Messengers have tried to reveal to you what is the way to go, the way of the Will of God, of the sacred Purpose, and the true mission for all.

It is no longer time to waste time. It is time to work, to rebuild, to safeguard humanity. It is time to work with Me in fullness and truth, without fear and dread; risking everything for this blue planet that needs you so much, that cries out for you, and that few listen to it.

This is My Message to you. It is a time of reparation. All are called to salvation, but few perceive what this means. For this reason, I still come to meet you so that your consciousnesses awaken to the essence of My Will.

Humanity is still very immature and very few will have to row this great boat, this great and heavy boat that represents your sacred world.

Who will assist it? Who will risk themselves? Who will give more for love of God and His original Plan? Who will respond? Who will open the door? Who will close it? Who will wait for the one who has been forgotten, for the one who has never been seen, or for the one who has never been looked at with compassion? Who will stop in order to recognize Me in the streets of this world as the great Dying One who awaits the relief of the Heart?

I call you to the synthesis of life. You must rescue something from all this, from these meetings with Me, which are unique and determining, for there is little time left for Me to be no longer among you until My Father sends Me in Glory, and for those who have trusted in Me to find Me seated at their table to commune with the new communion, the covenant with God the Father, in the

New Humanity.

If you do not feel worthy, you will not be able to fulfill My Plans. Work for your spiritual dignity through purity and humility. Be sincere with Me and I will forgive you.

Cry out to My Heart when you cannot endure being alone; when by yourselves you cannot stand up from the ground and keep walking towards Me.

Look into My Eyes, see My compassion, glimpse My Divine Mercy and you will be filled with My Spirit of Love. You must allow it, even when you cannot, you must allow it and I will act.

On this night of union with the infinity, I transmit My Words to you, with some silence rests, for My sacred Words must reverberate within your hearts so that they remain within your essence and become fruits, gifts of life, to be able to work in God.

Help Me, through prayer, to save this world and so many souls that are lost at every second that passes from your clock. While I am here, blessing you, have you thought about how many become lost and stop seeing God?

I need you to be the roots of My tree so that other creatures can sprout within My Heart and be the sap of life for eternity.

Pray to My Father:

---

Most Holy Heart of Christ,  
convert our hearts into sacred flames  
of Your Divine Mercy,  
so that Your Face may unite with the great human heart.  
May the coming descent of Your Celestial Glory  
redeem all consciousnesses,  
in honor and glory to the Celestial Father.

Amen.

---

It is the Body of Christ that gives you eternal Life. Joyful are those who are invited to eat My Body. For they shall be redeemed.

---

Eternal Father,  
I offer you the Body and the Blood,  
Soul and Divinity,  
of Your Dearly Beloved Son, Our Lord Jesus Christ,  
in atonement for our sins and those of the whole world.

Blood and Water  
that flowed out from the Heart of Jesus  
as a Fountain of Mercy for us,  
I trust in You.

---

Blessed be those who drink the precious Blood of Christ from My sacred Chalice, for the good and restoration of all souls in the world.

Under the spirit of peace and sacred fraternity, blessed be all those who drink of My Blood until the end of days.

Under the spirit of peace, I bless and absolve you in the name of the Father, the Son and the Holy Spirit. Amen.

Through the Holy Eucharistic Body of Christ, I give you peace; go in peace.

In the name of the Father, the Son and the Holy Spirit. Amen.

*Thank you, Lord, for all that You give us!*

*In this meeting, we honor You, Jesus.*
